

MINING ENGINEERING INTERNSHIP

Location: Healy, Alaska

Usibelli Coal Mine is seeking a Mining Engineering Intern for summer 2027 at our Healy, Alaska, operations. This hands-on internship provides students with practical experience in mine engineering, surveying, production support, reclamation, and day-to-day mining operations while working alongside experienced engineering and operations professionals.

Primary responsibilities

- Assist with basic engineering duties
- Gain hands-on experience with surveying, data entry, and time studies
- Support engineering and production teams with field observations and operational projects
- Assist the summer reclamation crew with general labor and reclamation activities as needed
- Follow established safety procedures and demonstrate a proactive commitment to safe work practices.
- Perform other duties and special projects as assigned

Minimum qualifications

- Must be at least 18 years of age
- Minimum sophomore standing toward a bachelor's degree in Mining Engineering, Civil Engineering, Geological Engineering, or a closely related engineering discipline.
- Must be enrolled at an accredited four-year university for the fall 2027 semester.
- Previous exposure to surveying, AutoCAD, and Microsoft Excel is preferred.
- Commitment to safety
- Strong communication, organizational, and interpersonal skills.
- Ability to maintain professional standards and work effectively in changing field conditions.
- Valid driver's license required.
- Must be able to successfully complete a post-offer physical and drug test.
- Current driver's license; ability to pass a post-offer physical and drug test
- Must be willing to reside in Healy or the Denali Borough during the internship.

Position details

This is a full-time, temporary, hourly summer internship paying \$30.00 per hour. The typical work schedule is Monday through Friday, 6:30 a.m. to 4:30 p.m. The position description outlines the key aspects of the job and may not include all associated duties, responsibilities, or skills.

This position description outlines the primary duties and qualifications of the internship and is not intended to include every responsibility, duty, or skill that may be required.

To apply

Apply online at Usibelli.com/Careers with a resume and letter of interest.
Email questions to the Human Resources Department at UCMHR@usibelli.com.
Applications will be reviewed until filled.

Applicants are encouraged to apply on or before February 28, 2027, and notice of hire will be given by March 31, 2027.

Usibelli Coal Mine, Inc., is an equal-opportunity employer. All qualified applicants will be considered for employment without regard to race, color, sex, sexual orientation, gender identity, national origin, religion, age, protected veteran status, disability status, or any other characteristic protected by law.
