

Petro De Beer

PRINCIPAL CONSULTANT

Petro is a Senior Associate in the CCI Professional team with extensive Talent Management and Learning and Development experience at International and Group level of JSE Listed companies. Petro guided talent transformation for the last 25 years utilising assessment batteries, and BBBEE strategies by prioritising critical and scarce positions. She has extensive management skills at both national and global levels. The top skills Petro is known for is Leadership and Relationship Management. Overall, she possesses a diverse range of skills and experiences that make her a well-rounded professional capable of driving transformation, strategic planning, and organisational development while maintaining a focus on bottom-line results aligned with people development. Petro is now in the process of completing her master's degree and the topic of her dissertation will focus on Emotional Intelligence and the Impact thereof on newly promoted Managers. Over the past decade, she has coached over 120 people successfully. From high-potential individuals earmarked for promotion to Directors needing a soundboard to make tactical decisions. She is sought after as a coach and confidant because she can relate and step into being a thinking partner to executives, yet still have the clarity of distance from within the organisation. Petro is happily married, and they have two amazing sons. Her work is her passion and to care for, support, empower and generally enhance people's lives, energises her.
