

Zanti Hattingh

PROJECT & SHADOWMATCH
ADMINISTRATOR

Zanti Hattingh serves as a Project and Shadowmatch Administrator at CCI Professional, where she plays a key role in supporting behavioural analysis processes, project coordination, and administrative execution across various strategic client engagements. With a strong foundation in psychology, religious sciences, and project management, Zanti brings a unique blend of relational insight, organisational structure, and operational excellence to the team.

Her professional journey includes serving as a Project Manager at the CSIR, where she coordinated postgraduate research-related projects, as well as functioning as an Executive Assistant at the British Association for Adoption and Fostering in the United Kingdom. In addition to her consulting support role, she serves as Co-Director of the Hattingh family office, Protos Professional, where she oversees financial and general administration.

Zanti specialises in Shadowmatch account administration and behavioural systems support for more than 50 organisations across multiple and various industries. Support to large companies include WastePlan, Grassroots, the University of Pretoria, Laeveld Agrochem, Doxa Deo Ministry, Bigen Africa, Top Shelf, as well as smaller medical practices such as Dr Van Heerden Plastic Surgery Practice. Her contribution assists organisations in understanding behavioural tendencies, optimising team alignment, and strengthening human capital decision-making processes.

Married to Dr Marcel Hattingh for over two decades, Zanti is a devoted wife and mother to their two children. Together with her husband, she was ordained as a minister of religion and continues to contribute toward leadership development, ministry, and organisational empowerment through both professional and relational service.
