

INTANGIBLE ECOSYSTEM PROFILE

city changers
foundation

OVERVIEW

City Changers Foundation is a philanthropic organisation that connects investors and partners with initiatives that address social challenges and community transformation. The foundation focuses on mobilising resources and partnerships to bring faith, hope, and restoration to communities around the world.

Through its projects and global partnerships, the foundation supports initiatives that empower individuals, strengthen communities, and create sustainable impact.

STRATEGIC CONTRIBUTION

City Changers Foundation serves as a catalytic platform that channels investment, resources, and relationships toward initiatives that address real societal challenges. By connecting donors, organisations, and projects, the foundation enables sustainable community transformation and amplifies the impact of mission-driven initiatives globally.
