

# INTANGIBLE ECOSYSTEM PROFILE

**ARBOR**  
CAPITAL

## OVERVIEW

Arbor Capital is a transaction and corporate advisory firm that focuses on co-crafting sustainable transaction & capital solutions for businesses. The firm works closely with entrepreneurial, growth-focused organisations and families across multiple sectors, helping them structure transactions and capital strategies that support long-term business sustainability.

With more than two decades of experience, Arbor Capital partners with organisations ranging from large corporates to owner-driven businesses. Its approach is to operate as an extension of the client's executive team, assisting leaders to execute strategic objectives.

## STRATEGIC CONTRIBUTION

Arbor Capital focuses on sustainable transaction & capital solutions for businesses that enable organisations to execute stated strategic objectives for sustainable growth and expansion. Utilising deep smarts and an entrepreneurial mindset, the firm helps businesses translate strategic ambitions into impactful and successful organisations.
