

GALA FESTIVAL 2028

JULY 12-16, 2028
MINNEAPOLIS, MN, USA

Every four years, LGBTQIA+ choruses from across the Americas and beyond come together for GALA Festival, the largest LGBTQIA+ choral event in the world.

For five unforgettable days, a city fills with music: wall-to-wall concerts, workshops, social events, new connections, old friends, and thousands of singers celebrating the joy and power of our community together.

Festival 2028 marks the 12th GALA Festival since this tradition began in 1983.

THOUSANDS OF SINGERS. FIVE DAYS OF MUSIC.
ONE EXTRAORDINARY LGBTQIA+ CHORAL COMMUNITY.

IMAGINE YOUR CHORUS HERE.

Festival 2024 brought together:

7,600+ DELEGATES

122 CHORUSES

200+ PERFORMANCES

9 COUNTRIES REPRESENTED

And in July 2028, we gather again in Minneapolis.

SING. CONNECT. LEARN. CELEBRATE.

Whether it's your first Festival or your twelfth, this is a chance to perform for new audiences, hear LGBTQIA+ choruses from around the world, learn from fellow artists and leaders, and experience what happens when thousands of voices come together in one place.
