Distillation	Double distillation batch 96% vol. puis distillation Gin 75%
Reduction	Lente, sur 15 jours, à l'eau purifiée

Tasting notes

A contemporary, bright, and spring-like gin. A true stroll through a lush garden, Eden Gin marries the lusciousness of fresh fruit with the delicacy of white flowers, elevated by the exceptional roundness of our potato base spirit.

Nose: A captivating, fruity explosion. The opening is dominated by fresh raspberry, vibrant and tangy, as if freshly picked. Once the fruit is fully expressed, the nose opens up to a highly refined floral bouquet driven by jasmine, before revealing the elegant, resinous signature of juniper berries.

Palate: The potato base spirit reveals all its magic here, offering a silky, almost velvety texture that beautifully coats the palate. Thanks to a highly gentle aromatic extraction, the pure and crisp taste of fresh raspberry is perfectly captured, without any heaviness or "cooked" fruit effect. On the mid-palate, a beautiful botanical tension and the subtly spicy notes of coriander (which bring discreet zesty accents) awaken the whole, while angelica root provides the earthy backbone essential to any great gin.

Finish: An exceptionally long finish. The aromatic footprint stretches intensely over the sweetness of orange blossom, leaving a lingering, fresh, and deeply luscious memory of red berries.

Cocktail : Eden Smash

- 5 cl Gin, 2 cl lemon juice, 1 cl simple syrup, 4 raspberries.
- Muddle raspberries in a shaker. Add the remaining ingredients, ice, and shake.
- Fine strain (to catch the seeds) into an Old Fashioned glass over ice.

Serving Suggestions

Temperature: 16-18°C (60-64°F) for neat tasting. Well-chilled for cocktails.

Glassware: Lehmann "Grande Réserve" glass for neat tasting.
