GRAND PRIX

**BUILT BY RACERS
FOR RACERS**

**WE BELIEVE THE FUTURE OF
WATERCRAFT RACING SHOULD
BE STRONGER, SMARTER, AND
UNMISTAKABLY WORLD-CLASS.**

wXgp blends high-performance competition with festival-style events built by racers, for racers. Partnered with IHRA Pro Watercraft Series, we create fast, accessible racing experiences that grow the sport and connect racers, fans and communities.

**ONE SERIES.
THREE FESTIVALS.
ENDLESS ENERGY.**

"wXgp represents exactly what we want regional partners to be. They're building events with racers in mind while creating an experience that cities, families, and sponsors want to be part of. This partnership strengthens our regional pipeline and helps us deliver a better product nationally and globally."

— **Dustin Farthing, IHRA Pro Watercraft**

"wXgp is raising the standard for watercraft racing. These events are built to grow the sport, bring fans to the shoreline, and create real momentum for the future. We're proud to support what they're building."

— **John Caldwell, Caldwell Racing**
