## MATERIALS

MELAMINE BOARD · ACOUSTIC PET FELT FROM RECYCLED BOTTLES · 8MM TEMPERED GLASS · STEEL FRAME · 4800 G/M<sup>2</sup> CARPET · RUBBER-GASKET SEAL

#### FIRE PROTECTION

B-1 certified board material according to EN 13501-1 available on request for anthracite and white colors

#### PEFC CERTIFICATION

PEFC-certified wood (PEFC/32-31-699)

#### WARRANTY

24 months

# Phone gets the fundamentals right. Pro gets the details right.

Seven upgrades that make the difference between a pod you use and a pod you look forward to.

## Touchscreen control panel PRO

An inside-wall 5.3" touchscreen puts light and ventilation in your hand. Three mood presets are available for quick adjustment.

## Video call light PRO

A dedicated 60 cm front light, so you look good on camera.

## Tunable light temperature & brightness PRO

Warm to focused — set the light to the moment. Fully dimmable.

## Adjustable ventilation PRO

Fine-tune the airflow intensity to your needs — from a gentle breeze to full circulation.

## Retractable 65 W USB-C cable PRO

Power box with 100 cm retractable cable that charges a laptop, then disappears when not needed.

## Built-in LAN / Ethernet PRO

Wired ethernet, built in — for the calls that can't drop.

## Full color range

EXTERIOR MELAMINE BOARD

INTERIOR PET FELT

# The engineering behind every pod

## Acoustic isolation

Designed for clear, natural conversations. Acoustic felt on the walls and ceiling, the carpeted floor and the layered interior construction help absorb reflections and reduce reverberation — so your voice sounds clear and balanced during every call.

- 8 mm tempered acoustic glass sealed against the steel door frame
- Top and bottom sound traps integrated into the structure
- Anti-vibration fans — fresh air without the hum

## Ventilation

Four whisper-quiet fans — two in the ceiling, two in the floor — Poddie's signature "Push-Pull" ventilation system

- unique mechanism to effectively direct used air out without creating air swirls
- 4.6 m<sup>3</sup>/min ventilation rate · 1000 RPM fans
- Acoustic sound traps in the ducts
- Adjustable airflow **PRO**

## Top light

A bright, evenly lit interior helps you stay focused throughout the day. The integrated ceiling light creates a comfortable workspace for calls, meetings, and individual work.

- LED bar with exceptional color accuracy (CRI > 90)
- Desktop illuminance of more than 500 lux
- 4000 K color temperature
- Adjustable brightness and temperature **PRO**
- EN 12464-1 EU workplace lighting compliance

## Passive illumination

An LED strip hidden behind the side wall panel casts a soft, even glow that makes the pod feel open and comfortable, even during long sessions.

- 4000 K color temperature
- 240 lux
- Dimmable intensity **PRO**

# Poddie family

## Poddie One

Acoustic phone booth. Das Original

## Poddie Phone

Acoustic phone booth for one

## Poddie Sit

Acoustic pod for focused, seated work
