Poddie Connect

from **9.900 €**

Fully equipped acoustic meeting pod:

- multi-layer sound insulation
- whisper-quiet ventilation (18.4 m³/min) with adjustable airflow
- tunable, dimmable lighting with touchscreen control
- 500 lux lighting (2× 80 cm LED bar)
- 2× 230 V sockets + 1× USB-C + 1× USB-A
- retractable 65 W charger + built-in LAN + HDMI
- trapezoid table with a camera-facing layout
- wall-mounted monitor bracket included
- 15 color combinations

price excl. VAT, delivery & installation

ADD-ON & OPTIONS

Monitor 43" + webcam

+ 500 €

Height-adjustable 43" monitor with integrated power supply, monitor mount and Spedal conferencing webcam.

Lambda chair

+ 290 €

Ergonomic task chair for full-day use.

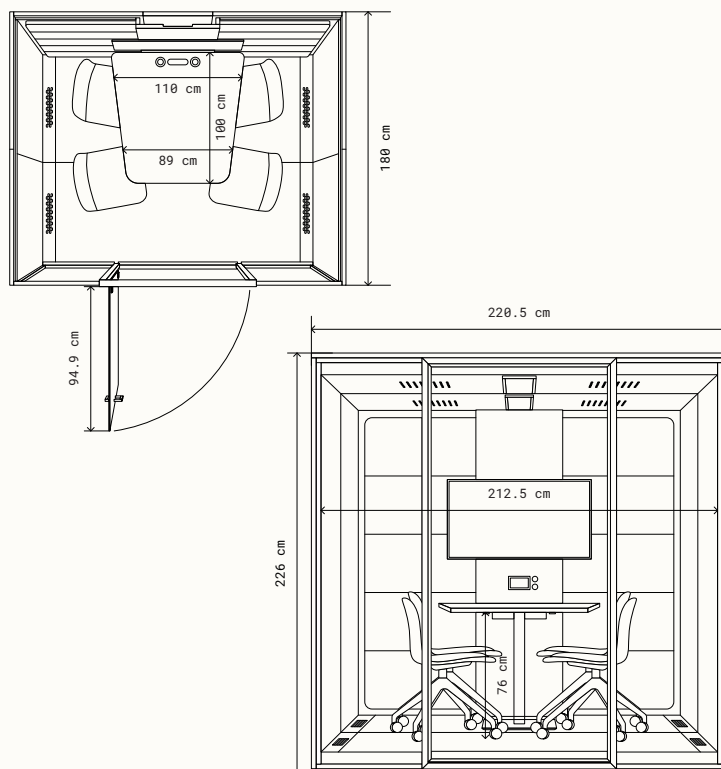

Privacy foil

+ 300 €

Frosted privacy foil applied to the glass door and/or side glazing.

Dimensions & capacity

Capacity	4 people
Exterior (W × D × H)	220.5 × 180 × 226 cm
Interior (W × D × H)	212.5 × 165.5 × 200 cm
Doorway (W × H)	94.9 × 209.7 cm
Tabletop (W × D)	trapezoid, 110 × (89) × 100 cm
Weight	800 kg
Installation clearance	Min. ceiling 250 cm 40 cm each side 110 cm at the front

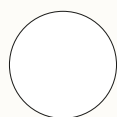

Full specifications

	Poddie Connect
Acoustics	Multi-layer wall construction · 8 mm tempered acoustic glass · magnetic door with self-compressing seal · anti-vibration fans + acoustic sound traps in the air ducts
Ventilation	18.4 m³/min · 8 ceiling + 8 floor whisper-quiet fans · adjustable airflow
Ceiling light	2 × 80 cm LED bar · 500 lux · CRI > 90 · 4000 K · tunable 2000–4000 K, dimmable
Ambient light	240 lux · CRI > 80 · 4000 K · dimmable
Control	Motion activation · 5.3" touchscreen: light, ventilation, presets
Furniture	Built-in trapezoid table, 110 × (89) × 100 cm · wall-mounted monitor bracket (VESA) included
Connectivity	2 × 230 V socket · 1 × USB-C · 1 × USB-A (charging) · 1 × USB-A (webcam) · 100 cm retractable USB-C (65 W) · built-in LAN
Power consumption	5 W standby · max 115 W · 3 m cable
Materials	Melamine · recycled acoustic PET felt · 8 mm tempered glass · aluminium frame · 4800 g/m² carpet
Colors	15 combinations
Warranty	24 months

MATERIALS

MELAMINE BOARD · ACOUSTIC PET FELT FROM RECYCLED BOTTLES · 8MM TEMPERED GLASS · ALUMINIUM FRAME · 4800 G/M² CARPET · RUBBER-GASKET SEAL

FIRE PROTECTION

B-1 certified board material according to EN 13501-1 available on request for anthracite and white colors

PEFC CERTIFICATION

PEFC-certified wood
(PEFC/32-31-699)

WARRANTY

24 months

Engineered around the call

Video conference setup

Poddie Connect is built around one idea — a video call where everyone is present and visible. The table, the seats, the screen: everything is arranged so no one has their back to the camera. Add the optional 43" monitor and webcam, and the room is ready for any call.

Seats that face the camera

The table is positioned so every seat has a direct sightline to the webcam — no awkward angles, no one turned sideways. A shape tailored to the use case, keeping the group close and the framing natural for whoever is on the other end of the call.

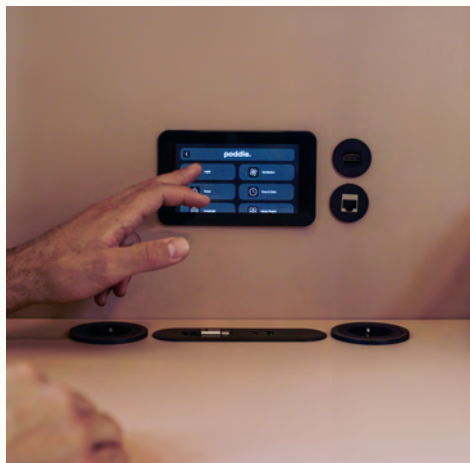

Plug in & connect

The optional 43" monitor is flush-mounted to the wall with its cable routed behind the panel — no visible wires, no clutter. Connect your laptop to the built-in HDMI port and the screen is live. The webcam is mounted beneath the display — low enough to frame the whole group naturally.

Connect gets the details right.

Six features that make the difference between a pod you use and a pod you look forward to.

Touchscreen control panel

An inside-wall 5.3" touchscreen puts light and ventilation in your hand. Two mood presets are available for quick adjustment.

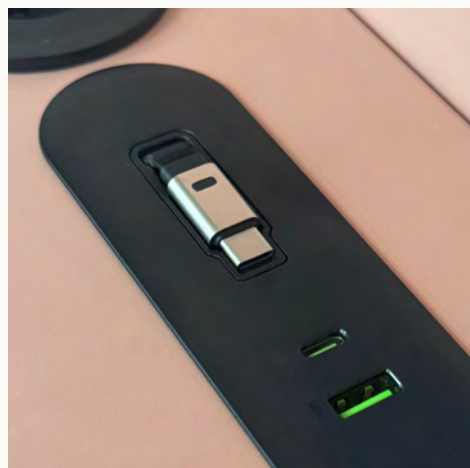

Tunable light temperature & brightness

Warm to focused — set the light to the moment. Fully dimmable.

Adjustable ventilation

Fine-tune the airflow intensity to your needs — from a gentle breeze to full circulation.

Retractable 65 W USB-C cable

Power box with 100 cm retractable cable that charges a laptop, then disappears when not needed.

Built-in LAN / Ethernet

Wired ethernet, built in — for the meetings that can't drop.

Full color range

The engineering behind every pod

Acoustic isolation

Designed for clear, natural conversations. Acoustic felt on the walls and ceiling, the carpeted floor and the layered interior construction help absorb reflections and reduce reverberation — so your voice sounds clear and balanced during every call.

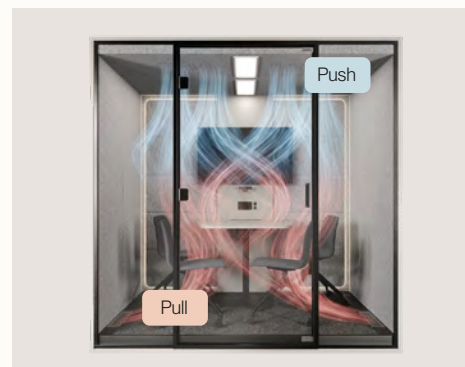

- 8 mm tempered acoustic glass sealed against the aluminium door frame
- Top and bottom sound traps integrated into the structure
- Anti-vibration fans — fresh air without the hum

Ventilation

Sixteen whisper-quiet fans — eight in the ceiling, eight in the floor — Poddie's signature "Push-Pull" ventilation system

- Unique mechanism to effectively direct used air out without creating air swirls
- 18.4 m³/min ventilation rate · 1000 RPM fans
- Acoustic sound traps in the ducts
- Adjustable airflow

Top light

A bright, evenly lit interior helps you stay focused throughout the day. The integrated ceiling light creates a comfortable workspace for calls, meetings, and individual work.

- 2 LED bars with exceptional color accuracy (CRI > 90)
- Table illuminance of more than 500 lux
- 4000 K color temperature
- Adjustable brightness and temperature
- EN 12464-1 EU workplace lighting compliance

Passive illumination

An LED strip hidden behind the side wall panel casts a soft, even glow that makes the pod feel open and comfortable, even during long sessions.

- 4000 K color temperature
- 240 lux
- Dimmable intensity
