## MATERIALS

MELAMINE BOARD · ACOUSTIC PET FELT FROM RECYCLED BOTTLES · 8MM TEMPERED GLASS · ALUMINIUM FRAME · 4800 G/M<sup>2</sup> CARPET · RUBBER-GASKET SEAL

### FIRE PROTECTION

B-1 certified board material according to EN 13501-1 available on request for anthracite and white colors

### PEFC CERTIFICATION

PEFC-certified wood (PEFC/32-31-699)

### WARRANTY

24 months

# A team meeting, sealed off.

## Soundproof meeting room

At 2.33 m<sup>2</sup>, the pod comfortably seats four people around a table — enough room to open laptops, spread out notes, and actually focus together. A full team meeting without booking a conference room or hunting for a free space.

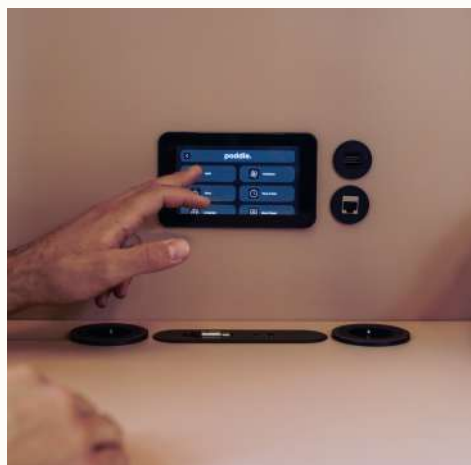

## Four seats, one focus

Two comfortable seats on each side, facing each other across the 56 × 80 cm table. Ergonomically shaped to support longer meetings, everyone has their own space without feeling crowded.

# Meet 4 gets the fundamentals right. Pro gets the details right.

Six upgrades that make the difference between a pod you use and a pod you look forward to.

## Touchscreen control panel PRO

An inside-wall 5.3" touchscreen puts light and ventilation in your hand. Two mood presets are available for quick adjustment.

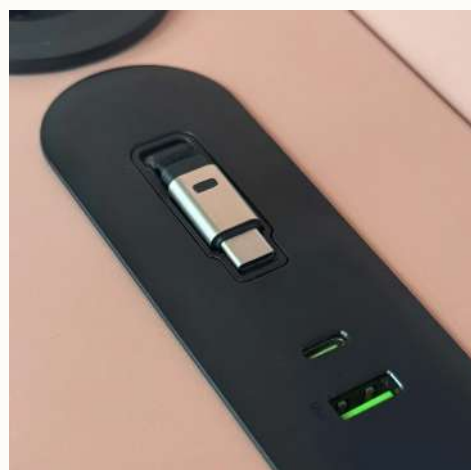

## Tunable light temperature & brightness PRO

Warm to focused — set the light to the moment. Fully dimmable.

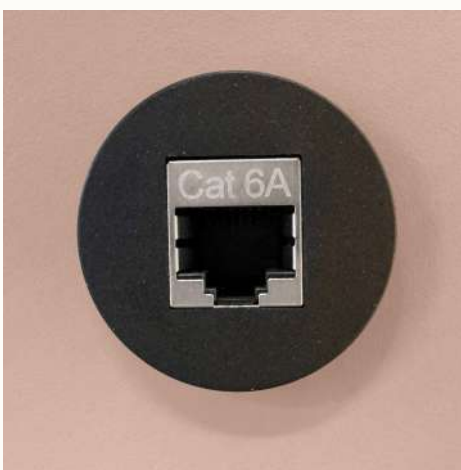

## Adjustable ventilation PRO

Fine-tune the airflow intensity to your needs — from a gentle breeze to full circulation.

## Retractable 65 W USB-C cable PRO

Power box with 100 cm retractable cable that charges a laptop, then disappears when not needed.

## Built-in LAN / Ethernet PRO

Wired ethernet, built in — for the meetings that can't drop.

## Full color range PRO

Check out all possible color combinations at [poddie.com](https://poddie.com)

# The engineering behind every pod

## Acoustic isolation

Designed for clear, natural conversations. Acoustic felt on the walls and ceiling, the carpeted floor and the layered interior construction help absorb reflections and reduce reverberation – so your voice sounds clear and balanced during every call.

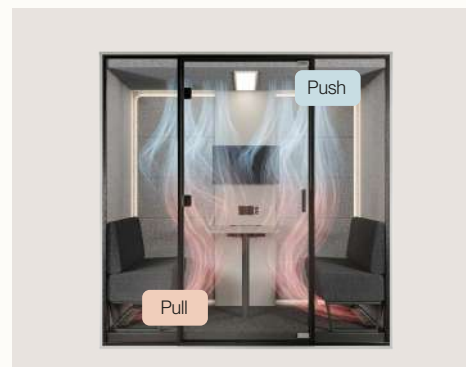

- 8 mm tempered acoustic glass sealed against the aluminium door frame
- Top and bottom sound traps integrated into the structure
- Anti-vibration fans — fresh air without the hum

## Ventilation

Eight whisper-quiet fans — four in the ceiling, four in the floor — Poddie's signature "Push-Pull" ventilation system

- Unique mechanism to effectively direct used air out without creating air swirls
- 9.2 m<sup>3</sup>/min ventilation rate · 1000 RPM fans
- Acoustic sound traps in the ducts
- Adjustable airflow **PRO**

## Top light

A bright, evenly lit interior helps you stay focused throughout the day. The integrated ceiling light creates a comfortable workspace for calls, meetings, and individual work.

- LED bar with exceptional color accuracy (CRI > 90)
- Table illuminance of more than 500 lux
- 4000 K color temperature
- Adjustable brightness and temperature **PRO**
- EN 12464-1 EU workplace lighting compliance

## Passive illumination

A LED strip hidden behind the side wall panel casts a soft, even glow that makes the pod feel open and comfortable, even during long sessions.

- 4000 K color temperature
- 240 lux
- Dimmable intensity **PRO**

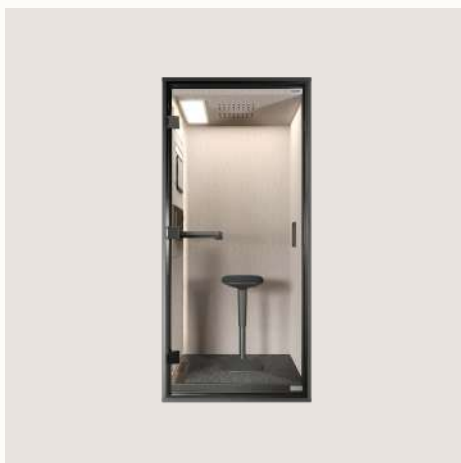

# Poddie family
