Ropes Courses

Tahoe Treetop Adventure Parks
25 minutes from Guesthouse

Tahoe Treetop offers three different locations for their Aerial Adventure Parks! Aerial Adventure Parks are the equivalent of an aerial trek through the forest. Each course starts with an initial tree platform accessed by a vertical climb, inclined ramp, or zip line. It is a combination of rope swings, wobbly bridges, swinging logs, tightropes, cargo nets, horizontal climbing walls and occasional zip lines as you navigate consecutive tree platforms. This is definitely an interactive experience with most courses consisting of approximately 7 to 12 tree platforms.

Snowcat Tours

Westwind Collective
Snowcat Assisted Backcountry Touring
 30 minutes from Guesthouse

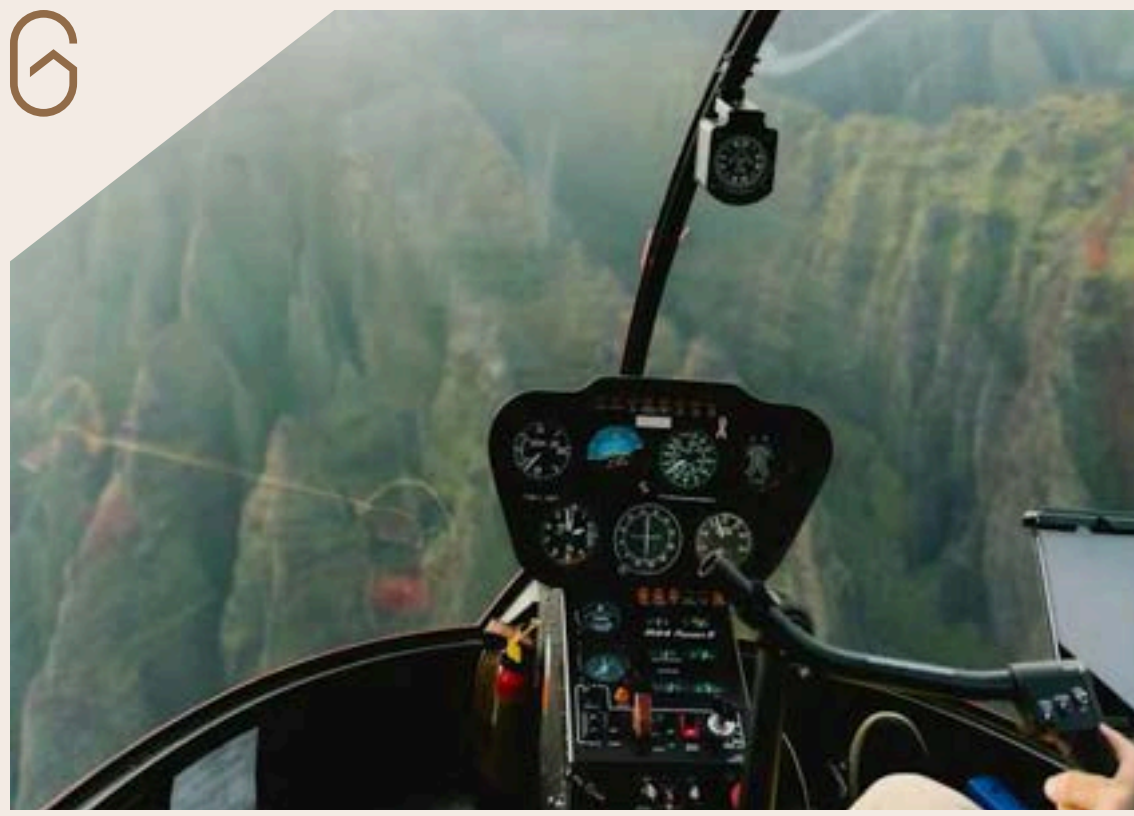

Enjoy untouched terrain and remote access to some of Tahoe's best backcountry with expert guide Max Wittenberg. Most locations are 5-10 miles from the parking lot, cell service is sparse and so are other people. Ride the charming 1979 Thiokol Spryte snowcat to a base location where the group will hike to scouted locations for the day. This gives you a real sense of remoteness and an experience that won't soon be forgotten. This tour is considered snowcat assisted backcountry touring. Split boarding and ski touring equipment not included but required.

Duration	8 hours
Cost	\$300 per person
Capacity	Minimum 4, max 8 people
Level of Difficulty	Experience required, physically demanding
