

Privacy Policy — Prokhorov®

Last updated: July 30, 2026

This Privacy Policy explains how Prokhorov® ("I", "me", or "my") collects, uses, and protects information when you visit this website.

By using this website, you agree to the practices described in this Privacy Policy.

1. About This Website

This website is a personal portfolio and professional website created to showcase design work, case studies, services, and provide a way for potential clients to contact me.

The website is operated by Prokhorov® and is intended for professional communication, portfolio presentation, and business inquiries.

2. Information I Collect

I may collect different types of information depending on how you interact with this website.

Information You Provide

When you contact me or submit an inquiry, I may collect:

- your name;
- email address;
- company name;
- project details;
- information included in your message;
- any files, links, or materials you voluntarily provide.

This information is only collected when you choose to provide it.

Automatically Collected Information

When you visit this website, certain technical information may be collected automatically, including:

- IP address;
- browser type and version;
- device information;
- operating system;
- pages visited;
- time spent on pages;
- approximate geographic location;
- referral source;
- website interaction data.

This information is generally used for analytics, security, and improving website performance.

3. How I Use Your Information

Information collected through this website may be used to:

- respond to project inquiries;
- communicate about potential collaborations;
- understand your project requirements;
- provide requested services;
- improve website experience and performance;
- analyze website traffic and user behavior;
- prevent spam, abuse, or security issues.

I do not use your personal information for automated decision-making, profiling, or unrelated marketing purposes.

4. Client and Project Information

If you contact me regarding a design project, any information you voluntarily provide may include confidential business information, product details, designs, documents, or other materials.

I use this information only for the purpose of evaluating, discussing, or delivering professional services.

I do not publicly share confidential client information unless:

- you provide permission;
- the information is already publicly available;
- disclosure is required by law.

Ownership and usage rights for project materials remain subject to separate agreements between me and my clients.

5. Website Hosting — Webflow

This website is hosted using Webflow, Inc. Webflow may process certain technical information required to provide website hosting, security, and performance services.

This may include:

- server logs;
- IP addresses;
- security information;
- website usage data.

Webflow processes information according to its own privacy practices.

For more information, please review Webflow's Privacy Policy.

6. Analytics and Performance Tools

This website may use analytics and performance measurement tools, including Google Analytics or similar services.

These tools may collect information such as:

- pages viewed;
- visitor interactions;
- traffic sources;
- device and browser information;
- approximate location data.

Analytics data helps me understand how visitors use the website and improve the overall experience.

I do not use analytics data to personally identify individual visitors.

7. Cookies

This website may use cookies and similar technologies.

Cookies are small data files stored on your device that help websites:

- function properly;
- remember preferences;
- measure website performance;
- analyze visitor behavior.

You can control or disable cookies through your browser settings. Disabling cookies may affect certain website functionality.

8. Third-Party Services

This website may contain links or integrations with third-party services, including:

- Webflow;
- Contra;
- Google Analytics;
- other professional platforms or tools.

When you interact with third-party services, your information may be processed according to their own privacy policies.

I am not responsible for the privacy practices, security, or content of third-party websites and services.

9. Contra Platform

If you choose to hire me or communicate through Contra, your information may be processed by Contra according to their privacy policy and terms.

Contra may collect information necessary to provide its marketplace, communication, payment, and account management services.

Any project agreement, payment processing, or client relationship established through Contra is also subject to Contra's own policies and terms.

10. Data Storage and Security

I take reasonable measures to protect personal information from unauthorized access, misuse, loss, or disclosure.

However, no method of electronic storage or transmission over the internet can be guaranteed to be completely secure.

I cannot guarantee absolute security of information transmitted online.

11. Data Retention

I retain personal information only for as long as necessary for legitimate business purposes, including:

- responding to inquiries;
- maintaining project communication;
- fulfilling contractual obligations;
- maintaining business records.

When information is no longer needed, reasonable steps may be taken to delete or remove it.

12. Your Privacy Rights

Depending on your location, you may have certain rights regarding your personal information, including:

- requesting access to your personal data;
- requesting correction of inaccurate information;

- requesting deletion of your information;
- withdrawing consent where applicable;
- requesting information about how your data is processed.

To exercise these rights, contact me using the information below.

13. International Visitors

This website may be accessed by visitors from different countries.

By using this website and providing information, you acknowledge that your information may be processed and stored in locations where third-party service providers operate.

Different countries may have different privacy laws and protections.

14. Children's Privacy

This website is not intended for children under the age of 13.

I do not knowingly collect personal information from children.

If you believe that a child has provided personal information through this website, please contact me so appropriate action can be taken.

15. Changes to This Privacy Policy

This Privacy Policy may be updated periodically to reflect changes in services, technologies, or legal requirements.

The updated version will always include the latest revision date at the top of this page.

16. Contact
