------	---

Range figure is based on WLTP (Worldwide Harmonized Light Vehicle Test Procedure) static laboratory combined average city and highway cycle test. Figures stated for the purposes of comparison amongst vehicles tested to the same technical procedures only. Actual real world driving results will vary depending on a combination of driving style, type of journey, vehicle configuration, battery age and condition, use of vehicle features (such as heating and air conditioning), as well as operating, environmental and climate conditions.

* 1 MG iSMART is provided as a complimentary service for the first 12 months from your purchase date of a new MG vehicle. After this period, you are responsible for payment of any service or licence charges MG may introduce. If charges are implemented, you will receive at least 60 days' notice

Colours in this brochure may vary to those on the vehicle.
