Become a Mndwrk-er

More than your next job

What is Mndwrk?

Our mission is to create the world's first next-gen software company - one that is community-owned.

We are building the Mndwrk Community

Why Become a Mndwrk-er?

International career

Surf from project to project

Take breaks when needed

Learn new skills

Create or join squads

Choose your own projects and your own colleagues!

Community benefits

Being a Mndwrker is more than just the amazing benefits and a great community.

Participate in amazing events

Share your knowledge

Make new connections

We reward your contribution

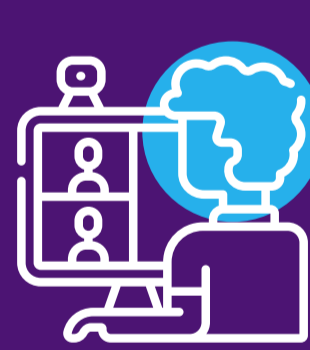

Mndwrk Coin System

Write a blog

Participate in a charity hackathon

Speak at a meetup

Invite a new member

Don't worry

For your engineering work, we pay in real money

How to Join?
