0.75-inch PE tubes for bareMinerals PRIME TIME ORIGINAL FOUNDATION PRIMER

Matching with a glossy white screw cap, the 0.75-inch (dia. 19 mm) white PE tube is decorated with 1-color silkscreen printing for bareMinerals PRIME TIME ORIGINAL FOUNDATION PRIMER.

As a final touch, the entire tube has a glossy coating to prevent scratches and ensure the product stays glossy and perfect during its serving time.

Started in 2003, SR Packaging companies in Taiwan, China, Japan, and USA provide refillable, recyclable EBM airless bottles, jars, tubes, sprayers, and pumps incorporating post-consumer recycled plastics and plant-based bioplastics to help skincare and cosmetic brands build success in line with consumer demands and sustainable lifestyles.

In 2024, SR Packaging North America Inc. starts tube production in Allentown, Pennsylvania to enhance supply efficiency, with sales supports from west to east coast
