

# Jet Plan

Review the terms, conditions, fees, benefits, and important information applicable to the Jet Plan.

## What is Jet Plan?

Jet Plan is a sub-section of your main account that helps you set money aside for a specific purpose. It is not a separate account and is used only to organize funds.

## Which currency can it be used in?

Jet Plan is used in Albanian Lek (ALL) and is linked to your ALL account. If you have a Euro account, the usage limitations for Jet Plan will be clearly shown in the app.

## Is there a minimum amount?

No. There is no minimum opening amount and no minimum balance requirement.

## Are there any fees?

No. Jet Plan has no opening fee and no maintenance fee.

## Does it earn interest?

No. Jet Plan does not earn interest. The interest rate is 0%.

## What can I do with Jet Plan?

You can create a Jet Plan, give it a name, choose an icon, set a target amount and target date, and transfer funds from/to your ALL account.

## Can I make payments from Jet Plan?

No. Jet Plan cannot be used for payments, transfers to other people or card payments. To use the funds, you must first transfer them back to your main account.

## Can it be linked to a debit card?

No. Jet Plan cannot be linked to a debit card.

## Can I have more than one Jet Plan?

Yes. You can create several Jet Plans, depending on your needs.

## Can I see the movements?

Yes. In the app, you can see the movements made within each Jet Plan.

## How can I close a Jet Plan?

Jet Plan can only be closed when the balance is zero. If there are funds in it, you must first transfer them back to your main account.
