Kelser Corporation provides technology that speaks the language of your business.

Technology is the backbone of every successful business. We provide strategic IT consulting services and support solutions that keep your entire business technology infrastructure safe, available, and efficient.

In 2011, we established the Kelser Foundation to bring that same sense of partnership to our community.

Through the generosity and tireless efforts of our employees, families and friends, philanthropy has become more than an initiative – it is our way of life. Some of our community partners include: the American Lung Association of New England, Big Brothers/Big Sisters, Hospital for Special Care, Special Olympics, Travelers Championship, Vietnam Veterans of America, and Hands-on Hartford.

**Hospital for
Special Care**

Hospital for Special Care (HFSC) is the fourth largest, free-standing long-term acute care hospital in the U.S. and one of only two in the nation serving adults and children. HFSC is recognized for advanced care and rehabilitation in pulmonary care, acquired brain injury, medically-complex pediatrics, neuromuscular disorders including ALS research, spinal cord injury, comprehensive heart failure and comprehensive inpatient and outpatient treatment for children and adolescents with autism spectrum disorder. Located in New Britain and Hartford, CT, HFSC operates inpatient and outpatient facilities serving Southern New England and the Tri-State area on a not-for-profit basis.
