

Private Markets Advisory Overview

Autumn Lane Advisory provides strategic advisory services to general partners and institutional investors across private equity and private credit. Our work focuses on capital formation, investment strategy, and navigating complex transactions with clarity and discipline.

Select Experience

- 28+ years across private equity, private credit, and public markets
- Infrastructure, energy transition, and real asset strategies
- Capital formation and LP engagement strategy
- Transaction advisory across acquisitions and structuring

General Partner Advisory

- Fund positioning and investor messaging
- Capital formation strategy
- Portfolio optimization and liquidity solutions
- Strategic growth planning

Limited Partner Advisory

- Manager evaluation and diligence support
- Portfolio construction across private markets
- Co-investment and direct deal review
- Strategic allocation insights

Practical Solutions

We collaborate with clients to deliver tailored solutions across deal execution, due diligence, and strategic decision-making—providing clarity to critical investment and capital allocation decisions.
