

STEM SCHOLARS

Would you like to get a jump start on your first semester at UNO and a head start on medical or graduate school?

STEM Scholars camp is an intensive, one-week program designed to help science and engineering students make the transition to college, learn skills for professional or graduate school, and take the stress out of the first semester at UNO.

GET A COMPETITIVE EDGE

- Get a jump start on required course content.
- Attend lectures from the faculty who teach first-year courses.
- Develop and hone critical skills necessary to be successful in college (i.e. time management, note taking, test taking, and reading complex material).
- Take actual exams, without the fear of failing!

MORE ABOUT THE PROGRAM

THE RUN DOWN

- WHO:** Incoming freshman science and engineering students
- WHAT:** A five-day, intensive academic preparation camp
- WHEN:** Aug. 2-7, 2018
- WHERE:** The University of New Orleans
- WHY:** The transition to college can be overwhelming, even for the best high school students. This transition program will give students a head start for success.
- COST:** \$250 (through June 26, 2018)
\$350 (beginning June 27, 2018)
includes registration, books, materials, meals and housing.

APPLICATION DEADLINE: July 18th

An average day includes:

- Small lectures taught by experienced professors
- Evening study sessions
- Thoughtful group discussions led by current students
- Social activities with current and other incoming students

Possible Course Topics:

Biology track

- Biology 1

Math track

- Algebra
- Trigonometry
- Calculus

Freshman textbooks for either Biology, Applied Algebra, Precalculus Algebra/Trigonometry, or Calculus are provided.
