EDUCATION

Ph.D. Tulane University, Economics, 1977. Fields: Monetary Theory and Econometrics.

B.S. Nicholls State University, Major: economics, minor field in mathematics.

ACADEMIC EXPERIENCE

Faculty:

University of New Orleans, Department of Economics and Finance

- Professor of Economics 1988-present
- Associate Professor of Economics 1982-88
- Assistant Professor of Economics 1979-1982

Naval Postgraduate School, Defense Management Resource Center

- Assistant Professor 1977-1979

ADMINISTRATIVE EXPERIENCE

University of New Orleans – College of Business

- Chair, Department of Economics and Finance, 1991-95.
- Interim Chair, Department of Economics and Finance, 1990-91
- Acting Graduate Coordinator, Ph.D. Program in Financial Economics, 1985

Other:

Co-editor *Review of Financial Economics* , 1995 - present

TEACHING

University of New Orleans 1979-present

Undergraduate Courses

- Microeconomic and macroeconomic principles
- Intermediate microeconomics
- Business statistics
- Business calculus

MBA Courses

- Operations Research
- Managerial Economics
- Executive MBA Statistics

Ph.D. Courses

- Econometrics I
- Econometrics II
- Monetary Theory and Policy
- Microeconomics I
- International Money

Dissertation Committees:

Chair

- 'Behavioral aspects of retirement savings. How do 401(k) plans affect household asset accumulation?', John Topoleski
- 'The political economy of exchange rate determination issues and empirical tests,' 1995. Bento Lobo

Committees:

- Served on over 20 committees in the last 5 years.

Naval Postgraduate School, 1977-79

MBA Courses

- Microeconomics

Special Courses

- Team taught resource management for mid level government managers
- Team taught resource management for mid level military officers
- Team taught resource management for flag officers

OTHER EXPERIENCE
