

THE UNIVERSITY *of*
NEW ORLEANS

Academic Advisement Advisory Board

Charge:

Ensures excellence in academic advisement, a critical element of student success because it maximizes the impact of all other services necessary to ensure timely degree completion and a quality educational experience; recommends formalized training and professional development; establishes best practices for advisement across the campus; eliminates organizational and communication barriers to effective student advisement; professionalizes academic advisement.

Membership:

One representative from each academic college, First-Year Advisement, Registrar's Office, and Academic Affairs.
