

THE UNIVERSITY *of*  
NEW ORLEANS

## Information Technology Advisory Council

### Charge:

Provide comprehensive and synergistic Information Technology support to the central administration on enterprise software, hardware, and programming proposals. ITAC will research compatibility, security, and need for all technology requests that require access to enterprise data, servers, and networking infrastructure. ITAC will serve as a clearing house for Information Technology requests and will make recommendations to the central administration regarding the priority and feasibility of a request as it relates to the strategic goals of the university.

### Membership:

Provost and Vice President for Academic Affairs, Dean of Students, Chief Information Officer, an Academic Dean, Director of Research, Faculty Senate President or representative, and HRM Director.
