

THE UNIVERSITY *of*  
NEW ORLEANS

## Library Affairs Advisory Council

### Charge:

Advise the Dean of Library Services on all matters related to the development and administration of services, facilities, and policies in the Library; advocate for Library issues and concerns through communication with faculty and university administrators; facilitate information gathering (evaluation data) from library users for use in improving library services and collections; and follows the principles/standards for academic libraries as established by ACRL (Academic College and Research Libraries).

### Membership:

One faculty member from each college and the Library; one undergraduate student; and one graduate student (student representatives chosen by the SGA); one representative each from the Office of Research, Academic Affairs, and Student Affairs.
