

THE UNIVERSITY *of*
NEW ORLEANS

Occupational Health and Safety Sub-Committee

Charge:

Follows OSHA regulations. Promote and maintain the highest level of physical, mental and social well-being of all faculty, staff, students and visitors to the campuses of the university. The group focuses on prevention of adverse workplace accidents and incidents by minimizing risks to all occupants of all campuses of the university. Risk assessment is an ongoing responsibility of the university and all occupants of university campuses. Promote safety and health in the workplace by monitoring indicators on campus, including, accident/incident reports, police reports, ORM audits, Environmental Health and Safety office audits and complaints. Meet on a quarterly basis to review the university response to the following hazards in the workplace.

Membership:

One representative each from Environmental Health and Safety, Dean of Students, UNO Police, Facility Services.
