

THE UNIVERSITY *of*
NEW ORLEANS

Peer Review Oversight Committee

Charge:

After two consecutive unsatisfactory overall evaluations, or three unsatisfactory overall reviews in a five year period, a tenured faculty member will be subject to mandatory remediation, and the approved plan will be subject to oversight by a university peer-review committee. A standing committee, the Peer Review Oversight Committee (PROC), functions to oversee any mandated remediation. The PROC will oversee all aspects of the peer review process. Should two consecutive unsatisfactory overall evaluations by a faculty member's chair trigger the more extensive peer review, the PROC will oversee the selection of a Peer Review Committee (PRC) for each case. The PROC will ensure that due process is followed in the ensuing review and faculty assistance processes.

Membership:

The PROC is composed of one voting member and one alternate elected by the faculty of each college and the Library from among its tenured faculty. Faculty members with administrative rank of chair and above are excluded from serving. Voting members and alternates serve concurrent three-year terms.
