

THE UNIVERSITY *of*  
NEW ORLEANS

## Service Learning Council

### Charge:

Service Learning Council works with the Office of Service Learning and Institutional Community Engagement (SLICE) to advocate, support and advance Service Learning and Community Engagement pedagogy at the University of New Orleans. The council is charged with reviewing and approving Service Learning course proposals, advising SLICE on new Service Learning projects and initiatives, and nominating UNO Service Learning presenters for Innovate UNO, the Academic Summit and other Louisiana State System events.

### Membership:

Two faculty from each college, two representatives each from the staff and student body, one representative each from Academic Affairs, Student Affairs, the Office of Research, and the Library.
