

PRIVATEER PLUNGE 2017

EVENT GUIDE

THE UNIVERSITY *of*
NEW ORLEANS

Welcome to UNO! The University of New Orleans has so much to offer that we can't possibly introduce them all to you during your brief orientation! The Office of Student Involvement and Leadership and the Office of Enrollment Services have designed Privateer Plunge to offer you a variety of opportunities to understand the resources available to you and to meet other UNO students, faculty and administrators.

We hope you take the plunge!

Online:

www.uno.edu/fyt/privateerplunge
www.facebook.com/PrivateerPlunge

Questions about Privateer Plunge?

Email privateerplunge@uno.edu.

Need to request **disability-related accommodations**? Please contact the sponsoring organization for each specific event at the email address listed at least one week in advance.

The Challenge

During Privateer Plunge you will be expected to attend at least 12 events within your first few weeks at UNO. The challenge is to attend at least 3 events each from different categories: Academic and Traditions, Community & Service, Social & Culture and Health, Wellness & Personal Development. (Transfer Students have the option of attending events aimed at their specific interests and challenges.) To successfully meet the Privateer Plunge challenge, you must attend a total of 12 events by the end of your first few weeks of classes.

Each category is denoted by a color splash:

Academic
&
Traditions

Community
&
Service

Social
&
Culture

Health, Wellness
& Personal
Development

Transfer
Track (TT)

Reference this guide for information about when and where events are happening and which category applies to each event. Each category is identified by a colored splash next to the event name. As an extra reminder, you'll find this information on countless flyers, banners and posters advertising the next Privateer Plunge event, or you can find a list of events online at www.uno.edu/fyt/privateerplunge.

What's My Incentive?

When you attend an event, sign in using the **UNO Social** app (search for "UNO Social" on the App or Play Store) to scan the posted QR codes. Once you check in, your attendance will be noted and uploaded to our Privateer Plunge attendance system.

Remember to attend at least three events in each category, for a total of 12, by the end of the Plunge.

You are going to meet new friends, professors and administrators and make the important transition from high school to college academics.

Your academic advisors, professors, student staff and university administrators will be checking in with you throughout the first six weeks to help you.

You will have fun at social activities and learn about the many resources UNO has to offer.

You will be eligible to win one of many different prize packages once you have completed the 12 events within the appropriate categories. And you will have the satisfaction of completing Privateer Plunge!

You will get good food! In mid-October, a first-year student party will conclude Privateer Plunge, and the winners of the prize packages will be announced. At the party, students who completed at least 20 events will be entered into the grand prize drawing. You must be present to win!

Privateer Plunge events are open to ALL students. Only new freshmen and new transfer students, however, are eligible to win prizes.

Good luck, Privateers!
