

UGA– UNO Innsbruck

TRANSFER CREDIT APPROVAL FORM

for UGA Students on the UNO Innsbruck program

If you are attending the **University of New Orleans Innsbruck Summer School program**, the Transfer Credit Approval Form (TCAF) serves as your pre-approval for transfer credit brought in from your education abroad experience. Upon completion of this form, Global Education will notify the Registrar, Financial Aid and Student Accounts of your approved education abroad program details. This form allows for the release of financial aid and maintains your active enrollment for the time you will be abroad. **It is your responsibility to notify UGA Global Education of any changes to your course work while abroad and be familiar with the residency requirements**

IMPORTANT INFORMATION

TRANSFER CREDIT APPROVAL (TCAF) FEE

TCAF Fee:

- Non-University System of Georgia sponsored education abroad programs: **\$250.00****
- All USG Insurance Fees will also be charged to your UGA student account, this is 1.25 per day you're abroad.

*TCAF Fee will be billed to your student account. A TCAF fee will only be imposed once per academic year even if you study abroad multiple times in one academic year.

GRADES AND TRANSCRIPT REQUESTS

Grading: Grades awarded on an international transcript will transfer as pass/fail to UGA. Grades awarded on a U.S. transcript from U.S. accredited institutions will transfer as letter grade credits to UGA.

Official Transcript: In order to receive credit for your education abroad program, official transcripts must be sent directly to Education Abroad and must be in English. If transcripts are in a foreign language, you will need to obtain a certified translation.

Please allow appropriate time for processing final transfer of earned credits to UGA. Depending on the release of the transcript from the host university and/or sponsoring program, you might experience a delay of posting earned credit to their UGA academic record. Transcript delays could prevent the release of future financial aid and/or a request of financial aid received for credits taken abroad. You should familiarize yourself with your program's timeline and procedures for releasing the transcript.

STUDYING WITH ANOTHER GEORGIA INSTITUTION?

In addition to the TCAF, you will need to complete a HOPE/Zell Miller Scholarship Transient Form through the Office of Student Financial Aid. Your hosting institution will issue your HOPE Scholarship while UGA will issue your federal aid. Find details at: osfa.uga.edu/hope.html

FINANCIAL AID AND HOPE SCHOLARSHIP

Financial aid, including HOPE, will be awarded based on the number of credits indicated on your TCAF. The disbursement of financial aid, scholarships and HOPE (ex. Pell, loans, etc.) will *occur approx. 10 days prior* to the start of your program or UGA semester date, whichever is later. Student Accounts will disburse your financial aid check to your "financial mail" mail address or direct deposit as directed in Athena. Direct deposit is strongly recommended. Contact the Education Abroad immediately if your credit hours change while on program because your financial aid may be affected. **Additional Financial Aid Resources:**
