

# UNO-INNSBRUCK INTERNATIONAL SUMMER SCHOOL

45  
YEARS

## INNSBRUCK, AUSTRIA // JULY 3 - AUGUST 13, 2021

Join us next summer for a unique study abroad experience in Innsbruck, Austria. Earn 6-9 credit hours while living in the Heart of the Alps and explore Central Europe on the weekends. The International Summer School is held in one of the most beautiful, scenic, and historic spots of Europe: Innsbruck. You can choose from over 40 courses taught, in English, by excellent American and European faculty. On the 3-day weekends, you have plenty of opportunity to travel and discover Europe.

### APPROVED UM PROGRAM EARN RESIDENT CREDIT

*"My highlight was making life-long friends and memories."*

Rebecca Atkinson  
University of Mississippi

*"The balance between class time, field trips, and free time was amazing! Don't change anything!"*

Jaelyn Wagers

University of New Orleans

*"This program is an awesome cross-cultural experience with many chances to travel and meet other people."*

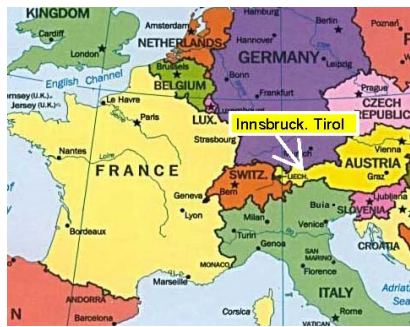

James Ferguson  
University of Georgia

*"Very fun, but academically demanding as well."*

Brett Manifold  
Louisiana State University

The bridge over the river Inn, on which these students are standing, gives Innsbruck its name and history.

Innsbruck's central location in Europe allows for easy travel on long, free weekends.

On a class field trip to a nearby glacier, students learn about Alpine geology and environmental concerns.

THE UNIVERSITY of NEW ORLEANS

### PROPOSED COURSES

## UM and UNO Partnership

The UNO-Innsbruck International Summer School is an approved UM study abroad program and as such the courses taken during this program will be counted as graded, resident UM credit. They must be pre-approved by the appropriate UM academic department(s) and by the student's academic dean's office through the UM Study Abroad course approval process. UM students interested in the UNO-Innsbruck Summer School should call 662-915-1508 or email [abroad@olemiss.edu](mailto:abroad@olemiss.edu) to schedule an advising appointment.

### Program Cost:

\$6,195.00\* (incl. tuition & fees, housing, breakfast & lunch on class days, and more)

\* Subject to change

+ \$760.00 UM Study Abroad Fee and \$92.00 International Health Insurance Fee

### Financial Assistance for Ole Miss Students

Students can apply their financial aid towards UM study abroad programs, including this one. All students should review the study abroad information on the University of Mississippi Financial Aid Office website. It is the student's responsibility to meet with a UM financial aid advisor to discuss how aid packages apply to study abroad. Third party scholarships may also be available for specific programs, so students should discuss study abroad early and often with the Study Abroad Office and the Financial Aid Office.

The Opening Ceremony is one of the highlights of the program for many students. It is a great opportunity to make new friends!

Some of the Business classes take a field trip to the BMW Factory in Munich.

### Social Engagement Track and Service Learning

- ▶ Some courses with service learning components
- ▶ Community service/outreach opportunities with local organizations
- ▶ Enrichment lectures to deepen intercultural learning
- ▶ Immersion opportunities with locals, such as the "Buddy Program" and host families
- ▶ Volunteer hours will be marked on UNO transcript and service credit may be available.

*"The highlights of the program were weekend travel, meeting new international friends, and just getting to immerse yourself in a new culture and city for six weeks."*

Marilyn Kauffman  
Louisiana State University

*"The fieldtrip that meant the most to me was the one to the Dachau Concentration Camp Memorial Site - my grandfather liberated there as a 19 year old during WWII!"*

Mac Lassing  
The University of Mississippi

The program offers a wide range of extracurricular afternoon activities, such as a visit to Innsbruck's Alpine Zoo.

## FINANCIAL AID APPLIES!

*"I thoroughly enjoyed my class because I found it incredibly interesting to learn history where it took place."*

Trevor Porter  
University of Mississippi

*"One of the best investments of your life!"*

Norman Robles  
University of New Orleans

*"I loved the Community Outreach program. One of the greatest experiences was when we went to play with the children. I realized how so little can make a big difference."*

Andrea Estrada  
University of New Orleans

One of the community outreach opportunities is to visit a refugee home in Innsbruck and entertain the kids with an afternoon of games, while learning about the local refugee situation.

The many field trips on this program allow students to learn more about Innsbruck and its surroundings. Here students visit Neuschwanstein Castle in nearby Bavaria.
