SUPREME COURT OF THE UNIVERSITY OF NEW ORLEANS STUDENT GOVERNMENT ASSOCIATION

AARON JORDAN v. SENATOR CHOLE METZLER

ON PETITION FOR A HEARING BEFORE THE UNIVERSITY OF NEW ORLEANS STUDENT GOVERNMENT ASSOCIATION SUPREME COURT

No. #122-3. Decided September 26th, 2022.

The petition for a hearing is DENIED
Statement of CHIEF JUSTICE CRENSHAW respecting the denial of petition:

Final Deliberation

The Judicial Supreme Court of University of New Orleans Student Government Association hereby denies the plaintiffs request for an impeachment hearing of Senator Metzler; on the grounds that the foundational evidence that the petition is built on is false. Senator Metzler was misquoted during the August 31st senate meeting. At the September 7th senate meeting, Senator Metzler asked that the minutes of the August 31st senate meeting be corrected, and the minutes were amended. The court in coincidence with the denying of the impeachment hearing also officially prohibit any further discussion or actions be taken against the senator in question, seeing as how the evidence provided is false and is classified as defamation.

IT IS SO ORDERED
