WINES AND SPIRITS

Wine connects us all – friends new and old,

The spirit of this list is to come together, share stories and create memories.

It is organized by grape variety, and categorized by location.

And while only the predominant grape is listed,

Like us, what makes us whole are the friends and family

that complete us.

Aion is the god of unbounded time,

Cyclical, ever turning, perpetual.

As the seasons change, so do we.

As the leaves fall,

then soils lay dormant,

awaiting the rebirth in spring,

the zest for life in summer.

Drinking moments,
buoyed in gentle currents.
