Before using our services, please read the Terms of Use set forth below. By using our services, you agree to be bound by these Terms of Use. The services provided by VoiceNation, LLC ("Moneypenny") are intended for business use only, not for personal use by non-business consumers. If you are registering on behalf of a corporation or limited liability company, you warrant that you have the authority to bind the company. Use of the term "you" shall include both you individually and your business (or, where applicable, your corporation or limited liability company). Moneypenny reserves the right, to the maximum extent permitted by law, to revise the Terms of Use at any time without notice and, by using our website or services subsequent to the revision of the Terms of Use, you agree to be bound by such changes.

3. SUPPLY OF SERVICES

3.1 The number of AI Receptionist Service calls included in the Customer's subscription are limited to the billing period in which they are allocated and do not roll over.

3.2 The AI Receptionist Service may be purchased as a standalone offering or in conjunction with Moneypenny's Phone Answering Services.

3.3 Any usage beyond the limits of the Customer's subscription plan will be processed subject to available capacity and invoiced at the then-current out-of-plan rates.

3.4 Where an unusual increase in volume is detected that may affect service performance, Moneypenny reserves the right to suspend or limit the Services on a temporary basis and will notify the Customer as soon as reasonably practicable.

3.5 Escalations from the AI Receptionist Service can either be routed to:

- (b) Moneypenny's human call answering team, provided that the Customer maintains an active Phone Answering Service plan alongside the AI

Receptionist Service.

After the end of the first billing period, the Customer is entitled to the number of configuration changes included within its plan. Any additional changes beyond that allowance will be charged per hour, subject to a minimum charge of 30 minutes.

4. SERVICE FUNCTIONALITY AND PURPOSE

4.1 The Services are designed to perform a defined set of call handling functions and are not intended as a general-purpose voice assistant or human equivalent.

4.2 The Customer acknowledges and agrees that if the AI Receptionist Service receives input or requests outside the scope of its intended use, it may either:

- (a) refuse to respond or issue a standard fallback reply; or
- (b) escalate the call (if such escalation path is configured).

4.3 Moneypenny shall not be liable where the AI Receptionist Service:

- (a) provides incomplete, inaccurate, or unsuitable responses outside the intended scope due to the Customer's misconfiguration or use;
- (b) fails to understand or respond to the caller's input due to ambiguity, background noise, or unsupported phrasing; or
- (c) does not escalate a call because escalation conditions were not triggered.

4.4 The AI Receptionist Service is not designed to be compliant with the Health Insurance Portability and Accountability Act (HIPAA). The Customer shall not use the Services to collect, process, store, or transmit

any information that would require HIPAA-compliant handling. Moneypenny accepts no liability for any use of the Services in connection with such data.

5. SCOPE AND COMMENCEMENT DATE OF AGREEMENT

5.1 The commencement of the provision of the Services by Moneypenny (including provision during any trial period) constitutes an offer by Moneypenny to supply the Services to the Customer in accordance with these Conditions, and the Customer agreeing to use the Services constitutes acceptance of these Conditions (Commencement Date).

5.2 These Conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.

6. TERM & TERMINATION

6.1 The Services provided by Moneypenny are done so on a month-to-month basis and the agreement between you and Moneypenny for the use of these Services will automatically renew on a monthly basis until canceled or otherwise terminated by you or by Moneypenny. Terms & Conditions **continued**

6.2 Without prejudice to any other rights or remedies which the parties may have, either party may terminate the Agreement without liability to the other immediately on giving notice to the other if:

- (a) the other party fails to pay any amount due under the Agreement on the due date for payment and remains in default not less than seven days after being notified in writing to make such payment;
- (b) the other party commits a material breach of any of the terms of the Agreement and (if such a breach is remediable) fails to remedy that breach within 30 days of that party being notified in writing of the breach;
- (c) the other party repeatedly breaches any of the terms of the Agreement or conducts itself in such a manner as to reasonably justify the opinion that its conduct is inconsistent with it having the intention or ability to give effect to the terms of the Agreement; or
- (d) the other party commences negotiations with its creditors, appoints an administrator or receiver or suspends, or threatens to suspend, payment of its debts or is unable to pay its debts as they fall due or admits inability to pay its debts or files for bankruptcy protection under applicable state of federal law.

6.3 On termination of the Agreement for any reason:

The Services make use of the telephone network and internet for you to send and receive information of your own choosing. As a result, your conduct is subject to both PSTN and internet regulations, policies and procedures; and
- (h) the Customer agrees that if there are any problems or questions regarding the service that it will contact Moneypenny for assistance, and promptly report to Moneypenny any unusual, deficient or unexpected responses or behavior of the AI Receptionist Service that it becomes aware of. The Customer will not dispute any charges from Moneypenny unless it has already attempted to rectify the situation directly with Moneypenny

through direct written or verbal contact.

7.2 Moneypenny shall not be liable for delays or service issues caused by incomplete or incorrect configuration data provided by the Customer.

7.3 The Customer agrees to indemnify, defend and hold harmless Moneypenny, its affiliates, officers, directors, employees, contractors, agents, licensors, and service providers (collectively, the "Indemnified Parties") from and against any and all claims, demands, actions, proceedings, damages, liabilities, losses, costs and expenses arising out of relating to the Customer's use of the Services.

7.4. Acceptable Use

7.4.3 It is prohibited for any subscriber or user of Moneypenny's products or services (collectively, the "Services") to solicit, collect, store, provide, or publish any personally identifiable healthcare information or protected health information (collectively referred to as "PHI") about themselves or others by means of or through the use of Moneypenny's Services or on any storage media hosted or maintained by Moneypenny. It is understood and acknowledged that any such PHI solicited, collected, stored, provided, or published by any Moneypenny Customer or user of Moneypenny's Services is a material violation of these Terms and is grounds for immediate termination of a member or user's privileges and/or permission to make use of Moneypenny's Services. It is further agreed that any person, persons, or entity soliciting, collecting, storing, providing, publishing or otherwise transmitting PHI by means of or through the use of Moneypenny's

Services, including but not limited to the Customer, hereby releases Moneypenny from any and all liability associated with the publication of said PHI and agrees to unconditionally and completely identify and hold harmless Moneypenny from any liability arising from the soliciting, collecting, storing, providing, publishing or otherwise transmitting of such PHI by means of Moneypenny's Services.

8. BILLING AND PAYMENTS

8.1 By requesting, accepting, and/or utilizing the Services, you agree to provide your chosen payment method (ACH, credit card, wire transfer) as a recurring payment method and authorize the billing of your account for both the initial invoice and subsequent monthly fees and usage fees (if applicable) (collectively, the "Fees"). Payment of Fees

Terms & Conditions **continued**

for your first and last month's service plus any options and initial setup fee are required in order to process your order for the Services. After the first month of Services, the Fees will be automatically deducted from your payment method on a monthly basis. It is your responsibility to maintain sufficient balance on your chosen payment method to allow settlement of charges. Interruption of service will be experienced in the event that the payment method held or pre-payment balances are not maintained at sufficient levels to pay the Fees as they come due. Setup fees, custom programming fees and activation fees are non-refundable.

8.2 The Customer hereby authorizes Moneyppenny to charge the indicated credit card on a recurring, monthly basis as payment for the Fees based upon the Services performed on the Customer's behalf. In the event of cancellation of the service, the Customer authorizes Moneyppenny to subsequently charge the Customer's credit card for payment of all remaining unpaid fees or other charges for any Services already performed on the Customer's behalf by Moneyppenny prior to cancellation.

8.3 Without prejudice to any other right or remedy that it may have, if the Customer fails to pay the Company on the due date, the Company may:

(a) charge interest on such sum from the due date for payment at the annual rate of four percent (4%) above the U.S. prime lending rate from time to time, as published by The Wall Street Journal, accruing on a daily basis and compounded quarterly until payment is made, whether before or after any judgment and the Customer shall pay the interest immediately on demand; or

(b) suspend all Services until payment has been made in full.

8.4 Accounts for which Fees are overdue shall be subject to temporary disconnection. In order to reactivate an account disconnected to non-payment of Fees, all overdue Fees must be paid in full, along with a \$25 re-activation fee.

8.5 Due to the high costs of delivering excellent services and the remote nature of our clients, our answering services are billed in advance. While

we offer limited and brief terms to our customers so that there is no interruption of service in cases where the usage exceeds the estimated and/or pre-paid amounts, it is agreed that the monthly invoice will be adjusted such that any deficit or unpaid usage will be settled and the pre-paid monthly service fee will be adjusted to compensate for the increased usage going forward.

8.6 The Customer agrees that any credits offered by Moneyppenny will not be refunded to your chosen payment method, but will be applied to your account with Moneyppenny.

8.7 Moneyppenny may increase the charges for the Services on an annual basis. Moneyppenny shall give the Customer 30 calendar days written notice with information regarding the increase.

8.8 The Customer is responsible for paying all Fees and other charges to your account for Services, including but not limited to, long distance and directory assistance charges, regulatory (USF) Universal Service Fund fees and government fees, and for all taxes and surcharges, including regulatory recovery fees, imposed on you or us as a result of your use of the Services.

8.9 The Customer agrees that at any time, Moneyppenny may require you to place a security deposit on file for monthly base fees and usage charges. This deposit may be requested at any time during the contracted service dates between the Customer and Moneyppenny.

8.10 Moneyppenny is responsible for collecting sales and use taxes in some states in the US. The taxable zip codes and rates vary and change periodically as new laws and regulations emerge. Moneyppenny will make every effort possible to notify you in the event your billing address becomes eligible for collecting these taxes. All taxes and fees are printed on each invoice from Moneyppenny as a line item for your convenience. If you are not required to pay taxes now, this does not mean that you are free from tax collection at a later date. If you are tax exempt, please contact us at accounts@moneyppenny.com for more information on how to provide the proper documentation in our system to avoid collection.

8.11 Unless otherwise agreed in writing by Moneyppenny, all sums due to Moneyppenny under the Contract shall be payable within 14 days of the applicable Billing Date.

8.12 All invoices submitted by Moneyppenny shall be treated as agreed unless the Customer notifies Moneyppenny of any discrepancies within 7 days of the Billing Date.

9. BILLING POLICY

9.1 Charges will be set out in the applicable rate card and confirmed to the Customer at the time of order. A one-off setup fee is payable in advance before the Services are set up.

9.2 Escalated calls (to either Moneyppenny's live agents or to the Customer) may incur additional charges depending on the Customer's chosen service bundle. Where a call is first handled by the AI Receptionist Service and then escalated to a Moneyppenny human call answering team, the AI component of that call will not be separately chargeable, unless the Customer is on a plan designed for the majority of calls to be handled initially by the AI Receptionist Service and then escalated to a Moneyppenny human call answering team. If the caller does not speak to the AI Receptionist (i.e. no noise is registered), the call will not be charged.

9.3 All invoices are payable in accordance with the billing terms agreed within these Conditions.

10. EQUIPMENT & SOFTWARE

10.1 All software and hardware in whatever form provided by the Company for the purpose of providing the Services remains the property of the Company. The Company grants the Customer a non-exclusive, non-transferable license to any such software for the purpose of using the Service and for no other purpose. The Customer shall not reproduce the software, shall keep it in confidence and shall not modify it.

10.2 The Customer acknowledges that, where the Company does not own the software or hardware supplied, the Customer's use of rights is conditional on the Company obtaining a written license or sub-license from the relevant licensor on such terms as will entitle

the Company to license such rights to the Customer.

11. VOICE CLONING FUNCTIONALITY

11.1 Where the Customer elects to use the voice cloning functionality available in the Services, Moneyppenny provides access to tools that enable the generation of a synthetic voice model based on an individual's voice recordings. Use of this functionality is entirely optional and initiated solely at the Customer's direction.

11.2 The Customer confirms that it has obtained all necessary rights, consents, and authorizations to use the relevant individual's voice for cloning purposes and that the use of such voice and any voice clone derived from it does not and will not infringe any intellectual property, publicity, personality or other rights of any third party.

11.3 The Customer hereby indemnifies and agrees to keep Moneyppenny and its affiliates indemnified from and against any and all claims, liabilities, damages, losses, costs and expenses (including legal fees) arising out of or in connection with:

(a) the Customer's use of the voice cloning functionality of the Services;

(b) any allegation that the cloning or use of an individual's voice infringes third-party rights as part of the Services; or

12.4 Where and to the extent permissible by law, Moneypenny reserves the right to audit all calls received and made by your account for continuous improvements to Moneypenny's services and staff development. You hereby agree to such call auditing and grant Moneypenny permission to audit calls for training and quality control purposes.

12.5 Without prejudice to the generality of the other provisions of this Section 12, the Customer warrants that it has and will have all necessary appropriate consents and notices in place to enable lawful transfer of the Personal Data to the Company and the provision of the Services by the Company for the duration and purposes of this agreement.

12.6 The Customer shall, in its use of the Services, only monitor or record calls, or instruct Moneypenny to monitor or record calls, in accordance with Data Protection Laws and all other applicable laws relating to the recording of calls or other interception of communications. Without prejudice to the generality of the foregoing, the Customer shall be responsible for complying with all requirements under such laws to provide notice to Callers and recipients of the calls and to obtain the

necessary consents from the Callers and recipients of such monitoring or recording. The Customer specifically warrants that its use of the Services will not infringe the rights of any Caller or a recipient of a call that has opted out from monitoring or recording of the calls. Unless otherwise confirmed by the Customer in writing, the Customer hereby instructs Moneypenny to monitor and record calls for and on behalf of the Customer, and as data processor of the Customer, for the purposes of:

- (a) establishing facts relevant to the Customer;
- (b) ascertaining compliance with the Customer's regulatory obligations and the Customer's own practices and procedures; and/or
- (c) ascertaining or demonstrating to the Customer that calls are being handled to the standards required by the Customer.

12.7 If call recordings have been made, the Customer acknowledges these call recordings are for internal quality and training purposes only and are not accessible by the Customer.

12.8 Moneypenny does not use Customer Personal Data to train any public or external AI models.

12.9 The Customer acknowledges and agrees that Moneypenny may process non-personal, aggregated, or anonymized interaction data for the purposes of service improvement, diagnostics, or analytics.

12.10 Moneypenny acts solely as a data processor with respect to any voice cloning data. Moneypenny does not assume responsibility for the legality, appropriateness, or accuracy of any cloned voice generated by or used via the Services.

12.11 The Customer acknowledges that voice data may constitute biometric data or other types of personal data offered special protection under applicable data protection laws. The Customer is solely responsible for:

- (a) ensuring lawful collection and use of any such personal data;
- (b) providing any required notices and obtaining any required consents; and

(c) ensuring ongoing compliance with relevant data protection and biometric information laws, including (where applicable) the UK GDPR, GDPR, or other applicable Data Protection Laws.

13. OFFERS OF EMPLOYMENT; NON-SOLICITATION
