UNDERSTANDING THE MARINE GAP DIFFERENCE

Insurance typically pays your boat's actual cash value after a covered total loss. If you owe more than your insurance settlement, GAP Protection may help cover the difference.

THE MATH IS SIMPLE

Insurance Settlement **$41,000** → Insurance Deductible **-$1,000** → Customer Receives **$40,000** → Remaining Loan Balance **$45,000**

Amount Still Owed **$5,000** | GAP Benefit **-$5,000**

Customer Pays $0

BOATS WE COVER

Fishing Boats · Pontoon Boats · Bowriders Boats · Deck Boats · Cruiser Boats · Wake Boats · Cabin Boats · Center Console Boats

RIDE WITH GREATER FINANCIAL CONFIDENCE

Help protect yourself from the financial impact of a covered total loss.
