DEALER 

ABOUT EXACT FURNITURE

Exact Furniture manufactures a wide range of furniture related to the audio visual market. Our major product lines are Lecterns, Multimedia Furniture, Height Adjustable Furniture, Collaborative and Conference Tables, Credenzas, AV Cabinets and Carts, Display Furniture and Custom Furniture.

At Exact Furniture, we sell to several end markets with a major emphasis on Education, Corporate and Government. The experience we have gained meeting the high standards of these institutions has allowed Exact Furniture to become a leader in developing contemporary furniture that enhances productivity. We strongly believe in supporting our dealer network across North America and Europe and strive to provide the best customer service in the industry.
