EVENT

Synercore was proud to serve as the Official Platinum Sponsor of the Africa Food Show 2026 — Africa's most influential food and beverage sourcing event.

Held at the CTICC in Cape Town from 10–12 June 2026, the show brought together leading food manufacturers, suppliers and innovators from across Africa.

Our team showcased Synercore's manufacturing capabilities, latest ingredient innovations and the depth of expertise across our key divisions. It was a powerful reminder of the pivotal role Synercore plays in Africa's food ecosystem, and of the relationships that drive it forward.
