FREQUENTLY ASKED QUESTIONS

Q Is this dental insurance?

A No, it's actually better in many ways—there are no deductibles, maximums, or claim forms. It's a simple savings plan managed right here in our office.

Q What if I don't need dental work?

A Even just using the plan for your cleanings and exams, you'll save money. But if anything does come up – like a filling or crown – you'll get a significant discount.

Q Can I cancel it?

A The plan lasts for 12 months and renews annually. There's no monthly billing or contract – you're in control.
