MESSAGE FROM THE PREMIER OF ALBERTA

On behalf of the Government of Alberta, it is my pleasure to send greetings for Stories That Echo, the ECHOFORM 2026 Artivism Cohort Showcase.

Congratulations to all the young people who have committed 12 weeks of your lives to exploring and telling your city's stories. The diverse communities we share are full of experiences and ideas, and I hope you have enjoyed learning more about this place and the hard-working and compassionate people who make our province such a great place to live. The future belongs to you, and this exhibition highlights your hard work, creativity, passion and perspectives.

Thank you to everyone at ECHOFORM for facilitating this initiative and making it possible for all Edmontonians to see what these young leaders have accomplished.

Best wishes and have a wonderful afternoon.

Honourable Danielle Smith, Premier of Alberta
