For Insured Persons age 65 and over, the Amount of Principal Sum is subject to automatic reduction. Upon the Insured Person's attainment of the specified age below, the Amount of Principal Sum will be reduced to the applicable percentage. This reduction also applies to Insured Persons who are age 65 or over on their Individual Effective Date.

Age	Percentage of available or in force amount at age 64
65-69	67%
70+	34%

The Spouse Amount of Insurance may not exceed 50% of the Insured Person's amount.

The Spouse Amount of Insurance will reduce in the same manner as the Insured Person's Amount of Insurance upon the Spouse's attainment of reducing ages.

CHANGES IN AMOUNT OF INSURANCE: Increases and decreases in the Amount of Insurance because of changes in age, class or Earnings (if applicable) are effective on the January 1st coinciding with or next following the date of the change.

With respect to increases in the Amount of Insurance, the Insured Person must be Actively at Work on the date of the change. If the Insured Person is not Actively at Work when the change should take effect, the change will take effect on the day after the Insured Person has been Actively at Work for one full day.

DEFINITIONS

"Actively at Work" and "Active Work" means the Insured Person is actually performing on a Full-time basis each and every duty pertaining to his job in the place where and the manner in which the job is normally performed. This includes approved time off for vacation, jury duty and funeral leave, but does not include time off as a result of Injury or illness.

"Dependents" means:

- (1) an Insured Person's legal spouse who is not legally separated or divorced from the Insured Person; and
- (2) an Insured Person's child(ren), under 26 years, including natural children, legally adopted children, children who are dependent on the Insured Person during the waiting period before adoption, stepchildren, and foster children. Foster children must be in the Insured Person's custody to be considered a Dependent.

Additionally, with respect to an Insured Person whose domestic partnership or civil union is legally recognized under applicable state law or for whom an Affidavit of Domestic Partnership is on file with you and is in effect, such Insured Person's:

- (1) domestic partner or civil union partner; and
- (2) child(ren), provided he/she otherwise meets the definition of Dependent,

of such legally recognized domestic partnership or civil union or named on an Affidavit will be considered a "Dependent" of such Insured Person.

When the Insured Person's domestic partner or civil union partner is covered under this Policy, the word "spouse" as it appears in this Policy will be deemed to include "domestic partner" and "civil union partner" unless the context indicates otherwise.

The requirement for financial dependency will not serve to prohibit an Insured Person's child(ren) from being a "Dependent" when the Insured Person is required to provide accident and health insurance coverage for such child(ren) pursuant to a court or administrative order.

NOTE: An Eligible Person may not have coverage both as an Insured Person and as an Insured Dependent. Only one Insured spouse may cover the eligible children as Insured Dependents. If insurance is in force for an Insured Dependent, any newly eligible Dependents will be automatically covered.

"Earnings", as used in the SCHEDULE OF BENEFITS section, means the basic annual wages received from you on the January 1st just before the date of the Injury, prior to any deductions to a 401(k), 403(b) and Section 125 plan. Earnings does not include commissions, overtime pay, bonuses, incentive pay or any other special compensation not received as basic wages.

If hourly employees are insured, the number of hours worked during a regularly scheduled work week, not to exceed 40 hours per week, times 52 weeks, will be used to determine annual Earnings.

If the Insured Person was not employed by you on the January 1st just before the date of Injury, Earnings, as defined above, will be as received from you on the Insured Person's Individual Effective Date just before the date of Injury.

"Eligible Person" means a person who meets the Eligibility requirements of this Policy.

"Full-time" means working for you for a minimum of 30 hours during a person's regularly scheduled work week.

"Insured Person" means a person who meets the Eligibility requirements of this Policy and is enrolled for this insurance, and whose insurance under this Policy is in effect.

"Insured Dependent" means a "Dependent", as defined, whose insurance under this Policy is in effect.

"Insured" means either an Insured Person or an Insured Dependent unless the context indicates otherwise.

"Injury" means accidental bodily injury to an Insured which results directly and independently of all other causes in a covered loss and which occurs while the Insured's coverage under this Policy is in force.

"We", "us", and "our" means Reliance Standard Life Insurance Company.

"You", "your", and "yours" means the Policyholder.

GENERAL PROVISIONS

ENTIRE CONTRACT: The entire contract between you and us is this Policy, your signed Application for this Policy (a copy of which is attached at issue), and any endorsements or amendments.

CHANGES: No agent has authority to change or waive any part of this Policy. To be valid, any change or waiver must be in writing, signed by a President, Vice President or Secretary and attached to this Policy.

INCONTESTABILITY: Any statement made in your application will be deemed a representation, not a warranty. We cannot contest this Policy after it has been in force for two (2) years from the date of issue, except for non-payment of premium.

Any statements made by you, any Insured Person, or any Insured Dependent, or on behalf of any Insured or any Insured Dependent to persuade us to provide coverage, will be deemed a representation, not a warranty. This provision limits our use of these statements in contesting the amount of insurance for which an Insured Person is covered. The following rules apply to each statement:

- (1) No statement will be used in a contest unless:
 - (a) it is in a written form signed by the Insured Person or any Insured Dependent, or on behalf of the Insured Person or any Insured Dependent; and
 - (b) a copy of such written instrument is or has been furnished to the Insured Person or any Insured Dependent, the Insured Person's or any Insured Dependent's beneficiary or legal representative.
- (2) If the statement relates to an Insured Person's or any Insured Dependent's insurability, it will not be used to contest the validity of insurance which has been in force, before the contest, for at least two years during the lifetime of the Insured Person or any Insured Dependent.

ASSIGNMENT: Ownership of any benefit provided under this Policy may be transferred by assignment. An irrevocable beneficiary must give written consent to assign this insurance. Written request for assignment must be made in duplicate at our Administrative Offices. Once recorded by us, an assignment will take effect on the date it was signed. We are not liable for any action we take before the assignment is recorded.

RECORDS MAINTAINED: You or an authorized Plan Administrator must maintain records of all Insureds. Such records must show the essential data of the insurance, including new persons, terminations, changes, etc. This information must be reported to us regularly. We reserve the right to examine the insurance records maintained at the place where they are kept. This review will only take place during normal business hours.

CLERICAL ERROR: Clerical errors in connection with this Policy or delays in keeping records for this Policy, whether by you, us, or the Plan Administrator:

- (1) will not terminate insurance that would otherwise have been effective; and
- (2) will not continue insurance that would otherwise have ceased or should not have been in effect.

Clerical Errors include (but are not limited to) the payment of premium for coverage not provided by this Policy. If appropriate, a fair adjustment of premium will be made to correct a clerical error. Such adjustments will be limited to the twelve (12) month period preceding the date we receive proof from you that an adjustment due to overpayment of premium should be made or the date we discover that premium has been underpaid.

MISSTATEMENT OF AGE: If an Insured's age has been misstated, benefits will be those that apply to his correct age.

NOT IN LIEU OF WORKER'S COMPENSATION: This Policy is not a Worker's Compensation Policy. It does not provide Worker's Compensation benefits.

CONFORMITY WITH STATE LAWS: Any provision in this Policy which, on its Effective Date, is in conflict with the laws in the state where it is issued or in a state that otherwise has jurisdiction over such provision, is amended to conform with the minimum requirements of such laws of that state.

CERTIFICATE OF INSURANCE: We will provide a certificate of insurance for each Insured Person. The certificate will set forth the terms of coverage and to whom benefits are payable.

POLICY TERMINATION: This Policy may be terminated by you or us on any premium due date, after this Policy has been in force 12 months. Written notice of termination must be mailed to the other party at least 45 days prior to the effective date of such termination. We will mail the notice to your last address shown on our records.

PRONOUNS: All pronouns include either gender unless the context indicates otherwise.

THIRD PARTY SERVICES: From time to time, we may, through third party service providers such as NATIONAL ID RECOVERY, LLC (NIDR) and ON CALL INTERNATIONAL offer or provide certain persons who apply for coverage with us or become insureds/enrollees with us, ID Recovery Service Plans and Travel Assistance Services, respectively.

While we have arranged for these services, the third party service providers are liable to the applicants/insureds/enrollees for the provision of such services. We are not responsible for the provision of such services nor are we liable for the failure of the provision of these services. Further, we are not liable to the applicants/insureds/enrollees for the negligent provision of such services by third party services providers.

INDIVIDUAL ELIGIBILITY, EFFECTIVE DATE AND TERMINATION

ELIGIBLE CLASSES: The eligible classes will be those persons described on the Schedule of Benefits.

WAITING PERIOD: A person who is continuously employed on a Full-time basis with you for the period specified on the Schedule of Benefits has satisfied the Waiting Period.

EFFECTIVE DATE OF INDIVIDUAL INSURANCE: An Eligible Person must apply in writing for the insurance to go into effect. He will become insured on the later of:

- (1) the Individual Effective Date as shown on the Schedule of Benefits; or
- (2) on the first day of the month coincident with or next following the date he applies.

If an Eligible Person is not Actively At Work on the day his insurance is to go into effect, his insurance will take effect on the day he returns to Active Work for one full day.

Changes in an Insured Person's amount of insurance are effective as shown on the Schedule of Benefits.

TERMINATION OF INDIVIDUAL INSURANCE: An Insured Person's coverage will terminate on the first of the following to occur:

- (1) the date this Policy terminates; or
- (2) the date the Insured Person ceases to be in a class eligible for this insurance; or
- (3) the end of the period for which premium has been paid for the Insured Person's coverage.

Any loss which occurs prior to the termination of this insurance coverage will not be affected.

CONTINUATION OF INDIVIDUAL INSURANCE: An Insured Person's coverage may be continued, by payment of premium, beyond the date the Insured Person ceases to be eligible for this insurance, but not longer than:

- (1) 12 months, if he ceases to be eligible due to illness or Injury; or
- (2) 1 month, if he ceases to be eligible due to temporary lay-off or approved leave of absence.

INDIVIDUAL REINSTATEMENT: If an Insured Person's coverage is terminated, it may be reinstated if he is:

- (1) on an approved leave of absence; or
- (2) on temporary lay-off.

Such person must return to Active Work with you within the period of time shown on the Schedule of Benefits (INDIVIDUAL REINSTATEMENT). He must also be a member of a class eligible for this insurance.

Unless a person is returning after having resigned or having been discharged, he will not be required to fulfill the eligibility requirements of this Policy again. The insurance will go into effect on the date he returns to Active Work.

DEPENDENT INSURANCE

ELIGIBILITY: An Eligible Person is eligible to enroll his eligible Dependents on the date he becomes an Insured Person.

EFFECTIVE DATE OF DEPENDENT INSURANCE: An Insured Person may insure his Dependents by making written application. The Insured Person's Dependent insurance will take effect on the first day of the month coincident with or next following the later of:

- (1) the date the Insured Person first becomes eligible for Dependent insurance if application is made on or before that date; or
- (2) the date the dependent meets the definition of Dependent, if application is made on or before that date; or
- (3) the date of enrollment.

After this insurance is in force for one Dependent, application is not required for added Dependents.

In regard to item (2) above: the Insured Person cannot disenroll or eliminate coverage for any Insured Dependent child(ren) for whom he is required to provide accident and health insurance pursuant to a court or administrative order until he furnishes satisfactory evidence that: (a) the court or administrative order is no longer in effect; or (b) such child(ren) is or will be enrolled in comparable health benefit plan coverage through another insurer, such coverage to take effect not later than the effective date of disenrollment under this insurance coverage.

TERMINATION OF DEPENDENT INSURANCE: The insurance for an Insured Dependent will terminate on the first of the following dates:

- (1) the date this Section terminates;
- (2) the end of the period for which premium for Dependent insurance has been paid;
- (3) the date the Insured Person's insurance terminates; or
- (4) the date the dependent is no longer a Dependent as defined. However, coverage for an Insured Dependent child which would otherwise cease when such child attains the maximum age, will not cease while this insurance coverage remains in force for the Insured Person if:
 - (a) the child is unable to provide self-support due to mental retardation or physical handicap; and
 - (b) he is chiefly dependent on the Insured Person for support; and
 - (c) proof of the above conditions is received by us within 120 days after the date this insurance coverage would otherwise end.

We may ask from time to time if the Insured Dependent child remains a disabled and dependent person. This request may be made within 31 days of the time such Insured Dependent attains the maximum age, and later not more often than once a year. If we do not ask, insurance coverage for such Insured Dependent child will continue as long as:

- (a) this coverage remains in effect for the Insured Person;
- (b) the Insured Dependent child remains in the same condition; and
- (c) the proper premium is paid.

Proof of the Insured Dependent child's status as a disabled and dependent person must be furnished to us within 31 days of the inquiry. If it is not, we may stop the insurance of such Insured Dependent when he attains the maximum age, or later.

In regard to item (2) above: the Insured Person cannot disenroll or eliminate coverage for any Insured Dependent child(ren) for whom he is required to provide accident and health insurance pursuant to a court or administrative order until he furnishes satisfactory evidence that: (a) the court or administrative order is no longer in effect; or (b) such child(ren) is or will be enrolled in comparable health benefit plan coverage through another insurer, such coverage to take effect not later than the effective date of disenrollment under this insurance coverage.

Any loss which occurs prior to the termination of this insurance coverage will not be affected.

CONVERSION PRIVILEGE

An Insured Person can use this privilege when his Accidental Death and Dismemberment insurance coverage is no longer in force for any reason, except termination of this Policy. Insured Dependents can use this Conversion Privilege if they cease to be eligible for any reason other than termination of this Policy. The Insured must make written application for the converted policy within 31 days after coverage ends. The first premium must also be paid within that time. The issuance of the converted policy is subject to the following conditions:

- (1) the converted policy will take effect on the date of the termination of this insurance, or on the date of the application for the converted policy, whichever is later;
- (2) proof of health will not be required; and
- (3) the premium will be applicable to the class of risk to which the Insured belongs, at his attained age, and to the form and amount of insurance provided.

The converted policy's Principal Sum will be the lower of:

- (1) the Amount of Principal Sum applicable to the Insured under this Policy; or
- (2) \$250,000.

The converted policy may provide that it will be renewable on any anniversary with our consent, subject to a maximum age limit.

The converted policy may exclude any condition or hazard which applied to the Insured at the time this coverage terminated. Benefits will not be paid under the converted policy for a claim originating under this Policy.

The Insured may convert to any individual Accidental Death and Dismemberment policy we offer in the state where he lives.

PREMIUMS

PREMIUM PAYMENT: All premiums are to be paid by you to us, or to an authorized agent, on or before the due date. The premium due dates are stated on the face page of this Policy.

PREMIUM RATE: The premium rate is shown on the application for this Policy.

The premium for this insurance is based on the coverage requested. We reserve the right to adjust the premium rate on any premium due date:

- (1) after coverage has been in force for 24 months; or
- (2) if the coverage is changed by amendment.

We will not change the premium rate more than once in any 12 month period unless the coverage is changed. We will notify you in writing at least 45 days before a premium change is made due to (1) above.

GRACE PERIOD: You may pay the premium up to 31 days after the date it is due. This Policy stays in force during this time. If the premium is not paid during the grace period, this Policy will be cancelled at the end of the grace period. You will still owe us the premium up to the date this Policy is cancelled.

BENEFICIARY AND FACILITY OF PAYMENT

BENEFICIARY: If the Insured Person dies, any death benefit payable and any other accrued benefits will be paid to the beneficiary named in records maintained by you. A beneficiary designation will be effective as of the date the Insured Person signed it. Any payment made by us before receiving the designation shall fully discharge us to the extent of that payment.

The Insured Person will be the beneficiary of any benefit payable at the death of an Insured Dependent, unless another beneficiary has been named and placed on file as required.

The Insured Person can change the beneficiary by telling us in writing on our form. The consent of a revocable beneficiary is not needed. The change will take effect only when it is received and approved by us or an authorized Plan Administrator. We cannot attest to the validity of such a change.

If an Insured's beneficiary dies at the same time as the Insured, or within 15 days after his death but before we receive written proof of the Insured's death, payment will be made as if the Insured survived the beneficiary, unless noted otherwise in another provision of this Policy.

If the Insured Person has not named a beneficiary, or an Insured's named beneficiary is not surviving at the Insured's death, any benefits due shall be paid to the first of the following classes to survive the Insured:

- (1) the Insured's legal spouse or domestic partner named on an Affidavit of Domestic Partnership;
- (2) the Insured's surviving children (including legally adopted children), in equal shares;
- (3) the Insured's surviving parents, in equal shares;
- (4) the Insured's surviving siblings, in equal shares; or, if none of the above,
- (5) the Insured's estate.

FACILITY OF PAYMENT: If a beneficiary, in our opinion, cannot give a valid release (and no guardian has been appointed), we may pay the benefit to the person who has custody or is the main support of the beneficiary. Payment to a minor shall not exceed \$1,000.

If the Insured has not named a beneficiary or the beneficiary is not surviving at the Insured's death, we may pay up to \$2,500 of the benefit to the person(s) who, in our opinion, has incurred expenses in connection with the Insured's last illness, death or burial. Payment may also be made to the executor or administrator of the Insured's estate, or to any relative of the Insured by blood or marriage.

The balance of the benefit, if any, will be held by us, until an individual or representative:

- (1) is validly named; or
- (2) is appointed to receive the proceeds; and
- (3) can give valid release to us.

We will not be liable for any payment we have made in good faith.

CLAIMS PROVISIONS

NOTICE OF CLAIM: Written notice must be given to us within 31 days after the Loss occurs, or as soon as reasonably possible. The notice should be sent to us at our Administrative Offices or to our authorized agent. The notice should include the Insured's name and the Policy Number.

CLAIM FORMS: When we receive written notice of a claim, we will send claim forms to the claimant within 15 days. If we do not, the claimant will satisfy the requirements of written proof of loss by sending us written proof as shown below. The proof must describe the occurrence, extent and nature of the loss.

PROOF OF LOSS: For any covered Loss, written proof must be sent to us within 90 days. If it is not reasonably possible to give proof within 90 days, the claim is not affected if the proof is sent as soon as reasonably possible. In any event, proof must be given within 1 year, unless the claimant is legally incapable of doing so.

TIME PAYMENT OF CLAIMS: When we receive written proof of loss, we will pay any benefits due. Benefits that provide for periodic payment will be paid accordingly.

PAYMENT OF CLAIMS: If an Insured Person dies, we will pay any death benefit and any other accrued benefits in accordance with the Beneficiary and Facility of Payment provisions. All other benefits will be paid to the Insured Person, unless we are required to do otherwise in accordance with applicable North Carolina law.

Reliance Standard Life Insurance Company shall serve as the claims review fiduciary with respect to the insurance policy and the Plan. The claims review fiduciary has the discretionary authority to interpret the Plan and the insurance policy and to determine eligibility for benefits. Decisions by the claims review fiduciary shall be complete, final and binding on all parties.

PHYSICAL EXAMINATION AND AUTOPSY: We have the right to have a doctor of our choice examine the Insured as often as we think necessary. This section applies while a claim is pending or while we are paying benefits. We also have the right to make an autopsy in case of death, unless the law forbids it. We will pay for the cost of both the examination and the autopsy.

LEGAL ACTION: No lawsuit or action in equity can be brought to recover on this Policy:

- (1) before 60 days following the date written proof of loss was furnished to us; or
- (2) after 3 years following the date written proof of loss is required (6 years in South Carolina and 5 years in Kansas).

SETTLEMENT OPTIONS

The Insured Person may elect a single sum payment or a different way in which the beneficiary will receive payment of the Principal Sum. If other than a single sum payment is desired, he must provide a written request to us, for our approval, at our Administrative Office. If the option covers less than the full amount due, we must be advised of what part is to be under an option. Amounts under \$2,000 or option payments of less than \$20 each are not allowed.

If no instructions for a settlement option are in effect at the death of the Insured, the beneficiary may make the election, with our consent.

If a beneficiary dies while receiving payments under one of these options and there is no contingent beneficiary, the balance will be paid in one sum to the beneficiary's estate, unless otherwise agreed to in the instructions for settlement.

Requests for settlement options other than the 3 set out below may be made. A mutual agreement must be reached between the individual entitled to elect and us.

OPTION A - FIXED TIME PAYMENT OPTION: Equal monthly payments will be made for any period chosen, up to 30 years. The amount of each payment depends on the amount applied, the period selected and the payment rates we are using when the first payment is due. The rate of any monthly payment will not be less than shown in the table below. We reserve the right to change the minimum monthly payment. These changes will apply only to requests for settlement elected after the change.

COVERAGE OF EXPOSURE AND DISAPPEARANCE

DESCRIPTION OF COVERAGE

EXPOSURE: Any loss that is due to exposure will be covered as if it were due to Injury, provided such loss results directly and independently of all other causes from accidental exposure to the elements which occurs while the Insured's coverage under this Policy is in force.

DISAPPEARANCE: We will presume an Insured suffered loss of life due to an Injury, if:

- (1) while covered under this Policy, such Insured is riding in a conveyance that is involved in an accident, not excluded from coverage;
- (2) the conveyance is wrecked, sinks or disappears as a result of such accident; and
- (3) the Insured's body is not found within 1 year of the accident.

SEAT BELT AND AIR BAG BENEFIT

DESCRIPTION OF COVERAGE: We will pay a sum equal to 10% of the Insured's Principal Sum if:

- (1) the Insured dies as the result of a bodily Injury sustained while riding in or operating a Four-Wheel Vehicle;
- (2) a police report establishes that the Insured was properly strapped in a Seat Belt at the time;
- (3) Loss of Life benefits are payable for the Insured's death hereunder.

We will pay an additional 5% if the Insured is driving in or riding in a Four-Wheel Vehicle which is equipped with a factory-installed Supplemental Restraint System. The Insured must be positioned in a seat which is designed to be protected by an air bag and must be properly strapped in the Seat Belt when the air bag inflates. In addition to the above requirements, the police report must establish that the air bag inflated properly upon impact.

The total maximum benefit payable is \$25,000.

No benefit will be paid for any loss sustained:

- (1) while driving or riding in any Four-Wheel Vehicle used: in a race; in a speed or endurance test; or for acrobatic or stunt driving; or
- (2) if the Insured is not wearing a Seat Belt for any reason; or
- (3) while the Insured is sharing a Seat Belt; or
- (4) due to a defect in the Supplemental Restraint System's diagnostic system.

If the police report does not clearly establish that the Insured was or was not wearing a Seat Belt at the time of the accident causing the Insured's death, we will pay a sum equal to \$1,000 in lieu of the benefit described above.

DEFINITIONS:

"Seat Belt" means an unaltered Seat Belt or lap and shoulder restraint and includes a government approved child restraint device when used in accordance with manufacturer's directions. In the case of small children the restraint must:

An air bag is not considered a Seat Belt.

"Supplemental Restraint System" means an air bag which inflates for added protection to the head and chest areas.

"Four-Wheel Vehicle" means a vehicle listed below provided it is: duly licensed for passenger use; and designated primarily for use on public streets and highways:

EXTENSION OF COVERAGE UNDER THE FAMILY AND MEDICAL LEAVE ACT AND UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

Family and Medical Leave of Absence:

We will continue the Insured Person's coverage and that of any Insured Dependent, if applicable, in accordance with your policies regarding leave under the Family and Medical Leave Act of 1993, as amended, or any similar state law, as amended, if:

- (1) the premium for such Insured Person and his/her Insured Dependents, if applicable, continues to be paid during the leave; and
- (2) you have approved the Insured Person's leave in writing and provide a copy of such approval within thirty-one (31) days of our request.

As long as the above requirements are satisfied, we will continue coverage until the later of:

- (1) the end of the leave period required by the Family and Medical Leave Act of 1993, as amended; or
- (2) the end of the leave period required by any similar state law, as amended.

Military Services Leave of Absence:

We will continue the Insured Person's coverage and that of any Insured Dependents, if applicable, in accordance with your policies regarding Military Services Leave of Absence under USERRA if the premium for such Insured Person and his or her Insured Dependents, if applicable, continues to be paid during the leave.

As long as the above requirement is satisfied, we will continue coverage until the end of the period required by USERRA.

This Policy, while coverage is being continued under this Military Services Leave of Absence extension, does not cover any loss which occurs while on active duty in the military if such loss is caused by or arises out of such military service, including but not limited to war or any act of war, whether declared or undeclared.

While the Insured Person is on a Family and Medical Leave of Absence for any reason other than his or her own illness, injury or disability or Military Services Leave of Absence he or she will be considered Actively at Work. Any changes such as revisions to coverage due to age, class or salary changes, as applicable, will apply during the leave except that increases in the amount of insurance, whether automatic or subject to election, will not be effective for an Insured Person who is not considered Actively at Work until the Insured Person has returned to Active Work for one (1) full day.

A leave of absence taken in accordance with the Family and Medical Leave Act of 1993 or USERRA will run concurrently with any other applicable continuation of insurance provision in this Policy.

The Insured Person's coverage and that of any Insured Dependents, if applicable, will cease under this extension on the earliest of:

- (1) the date this Policy terminates; or
- (2) the end of the period for which premium has been paid for the Insured Person; or
- (3) the date such leave should end in accordance with your policies regarding Family and Medical Leave of Absence and Military Services Leave of Absence in compliance with the Family and Medical Leave Act of 1993, as amended and USERRA.

Should you choose not to continue the Insured Person's coverage during a Family and Medical Leave of Absence and/or Military Services Leave of Absence, the Insured Person's coverage as well as any dependent coverage, if applicable, will be reinstated.

**NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS UNDER THE NORTH CAROLINA
LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT**

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies and Health Maintenance Organizations (HMOs) licensed in this state to write these types of insurance are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer or HMO becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The North Carolina Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health insurance guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer or HMO. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.
- They acquired rights to receive payments through a structured settlement factoring transaction.

The association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed the average rate specified in the law;
- dividends;
- experience or other credits given in connection with the administration of a policy by a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered;
- a policy or contract commonly known as Medicare Part C, Medicare Part D, Medicaid or any regulations issued pursuant thereto.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out as follows:

- (1) The guaranty association cannot pay out more than the insurance company would owe under the policy or contract.
- (2) Except as provided in (3), (4) and (5) below, the guaranty association will pay a maximum of \$300,000 per individual, per insolvency, no matter the number of policies or types of policies issued by the insolvent company.
- (3) The guaranty association will pay a maximum of \$500,000 with respect to a health benefit plan.
- (4) The guaranty association will pay a maximum of \$1,000,000 with respect to the payee of a structured settlement annuity.
- (5) The guaranty association will pay a maximum of \$5,000,000 to any one unallocated annuity contract holder.
