A place to call home

Maison La Sagesse is a secluded four-bedroom, five-bathroom private beachfront villa on Grenada's south-east coast, set among approximately three quarters of an acre of tropical gardens. A private gate opens directly onto La Sagesse Beach, while a swimming pool with an adjoining heated jetted spa gives guests the freedom to relax at home. Contemporary neutral interiors centre around an open-plan lounge, dining area and fully equipped kitchen. Large folding doors connect the living spaces to the ocean-facing terrace and pool deck, ideal for family gatherings and al fresco dining. The four air-conditioned bedrooms accommodate up to eight guests, with three king bedrooms and a family-friendly fourth bedroom with bunk and trundle beds.
