A place to call home

Reef View Pavilions is an Antoine-family-owned collection of villas, condos and rooms in Lance aux Epines. Tropical gardens, colourful courtyards and open-air terraces create a relaxed setting, with two shared swimming pools and sea views from selected accommodation. For a party of 12, this is a multi-unit group-stay option. It is not a single twelve-person villa. La Vélique can check a combination of accommodation for your dates, with bedroom allocation, privacy and pool access confirmed before booking.
