Introduction and Our Mission

At She Phoenix Foundation, we dedicate ourselves to lifting adults and children out of despair and into hope.

Our journey began with the understanding that countless individuals face insurmountable challenges daily due to domestic abuse, abandonment, and other crises.

We stand as a beacon of hope and support for those in need. At She Phoenix Foundation, we are committed to uplifting adults and children from despair to hope. We strive to be a beacon of hope and support for those in need.

Our mission is to empower disadvantaged adults and children by equipping them with the essential tools, resources, and opportunities necessary to overcome barriers and achieve self-sufficiency.

We are committed to fostering resilience, providing support, and unlocking the potential within each individual we serve.

Our Vision and Core Values

We envision a world where poverty, inequality, and circumstance do not define one's future. A world where every person has access to quality education, healthcare, and the means to build a prosperous future. Through compassion, innovation, and collective action, we aim to create lasting change for underprivileged communities worldwide .

Our work is guided by core values, including compassion, innovation, collaboration, and sustainability. We believe in the strength of community, the power of education, and the potential of every individual to achieve greatness when provided with the right support.

Our Impact

Through our comprehensive programs, we've touched the lives of thousands, offering hope where it's needed most. From educational scholarships to emergency relief, our impact is measured in the empowered lives of those we've helped transform.

Healthcare Services

Health is the foundation of life's achievements. Our healthcare services provide free mental health support, health education, and nutritional programs, ensuring the well-being of the communities we serve.

Economic Empowerment

Economic independence is crucial for breaking the cycle of poverty. We offer job training, microfinance opportunities, financial literacy workshops, and small business support to foster economic growth and sustainability .

Emergency Relief Services

In times of crisis, prompt action is crucial to saving lives. We supply food, shelter, clothing, and financial aid to those impacted by natural disasters, conflicts, and unforeseen poverty, ensuring they receive the essential support needed to rebuild and restore stability.

Nutrition and Food Assistance

A nourished body fuels a thriving life. Our food banks and school meal programs aim to combat hunger and malnutrition, ensuring every individual has access to the nutrition they need to succeed.

Housing and Shelter Services

Secure housing is a right, not a privilege. We offer temporary housing solutions and support in finding permanent homes, aiding those facing homelessness to find stability and safety.

Legal Aid and Advocacy

Justice should be accessible to all. We provide legal counsel and support to underprivileged individuals facing legal challenges and advocate for policies that uplift and protect the most vulnerable among us.

Community Development

Strong communities are the back bone of society. Our community development projects focus on building schools, healthcare facilities, and improving water and sanitation systems, creating environments where everyone can thrive.

Social Integration Programs

Inclusion strengthens society. Our social integration initiatives aim to weave marginalized groups into the fabric of society through activities that foster understanding, acceptance, and community engagement.

Educational Support

Education opens doors to the future. We offer scholarships, distribute school supplies, provide tutoring and mentorship, and facilitate adult education to improve literacy and job prospects, empowering individuals to reach their full potential.

Personal Development and Life Skills Training

Empowerment begins with knowledge. Our workshops on life skills, personal finance, health, and hygiene provide individuals with essential tools to navigate life's challenges and embrace opportunities for growth.

Volunteer and Mentorship Opportunities

Together, we can make a difference. Our volunteer and mentorship programs connect those willing to lend their time and expertise with those who benefit most from guidance, support, and inspiring role models.

Environmental Initiatives

A healthy planet nurtures healthy communities. We promote sustainable practices and environmental education to ensure the well-being of our communities now and for future generations.

Imagine Center

IMAGINE CENTER by She Phoenix Foundation - for the benefit of adults and their children who find themselves in hopeless situations due to domestic abuse, abandonment, divorce and other unfortunate situations beyond their control.

IMAGINE a place where those in need can move from feelings of helplessness to a sense of hope. A place that will help them forget about the mental trauma that comes from the strains of not knowing what to do and struggling to survive each day. IMAGINE a civilized place that spares women from harsh life lessons by providing essential resources and guidance.

IMAGINE CENTERS

Imagine Centers are being established in Bali Indonesia, Singapore Singapore, Shanghai China, Seoul Korea, Hanoi Vietnam, Colombo Sri Lanka, London United Kingdom, Edinburgh Scotland, Vancouver Canada and Hawaii United States

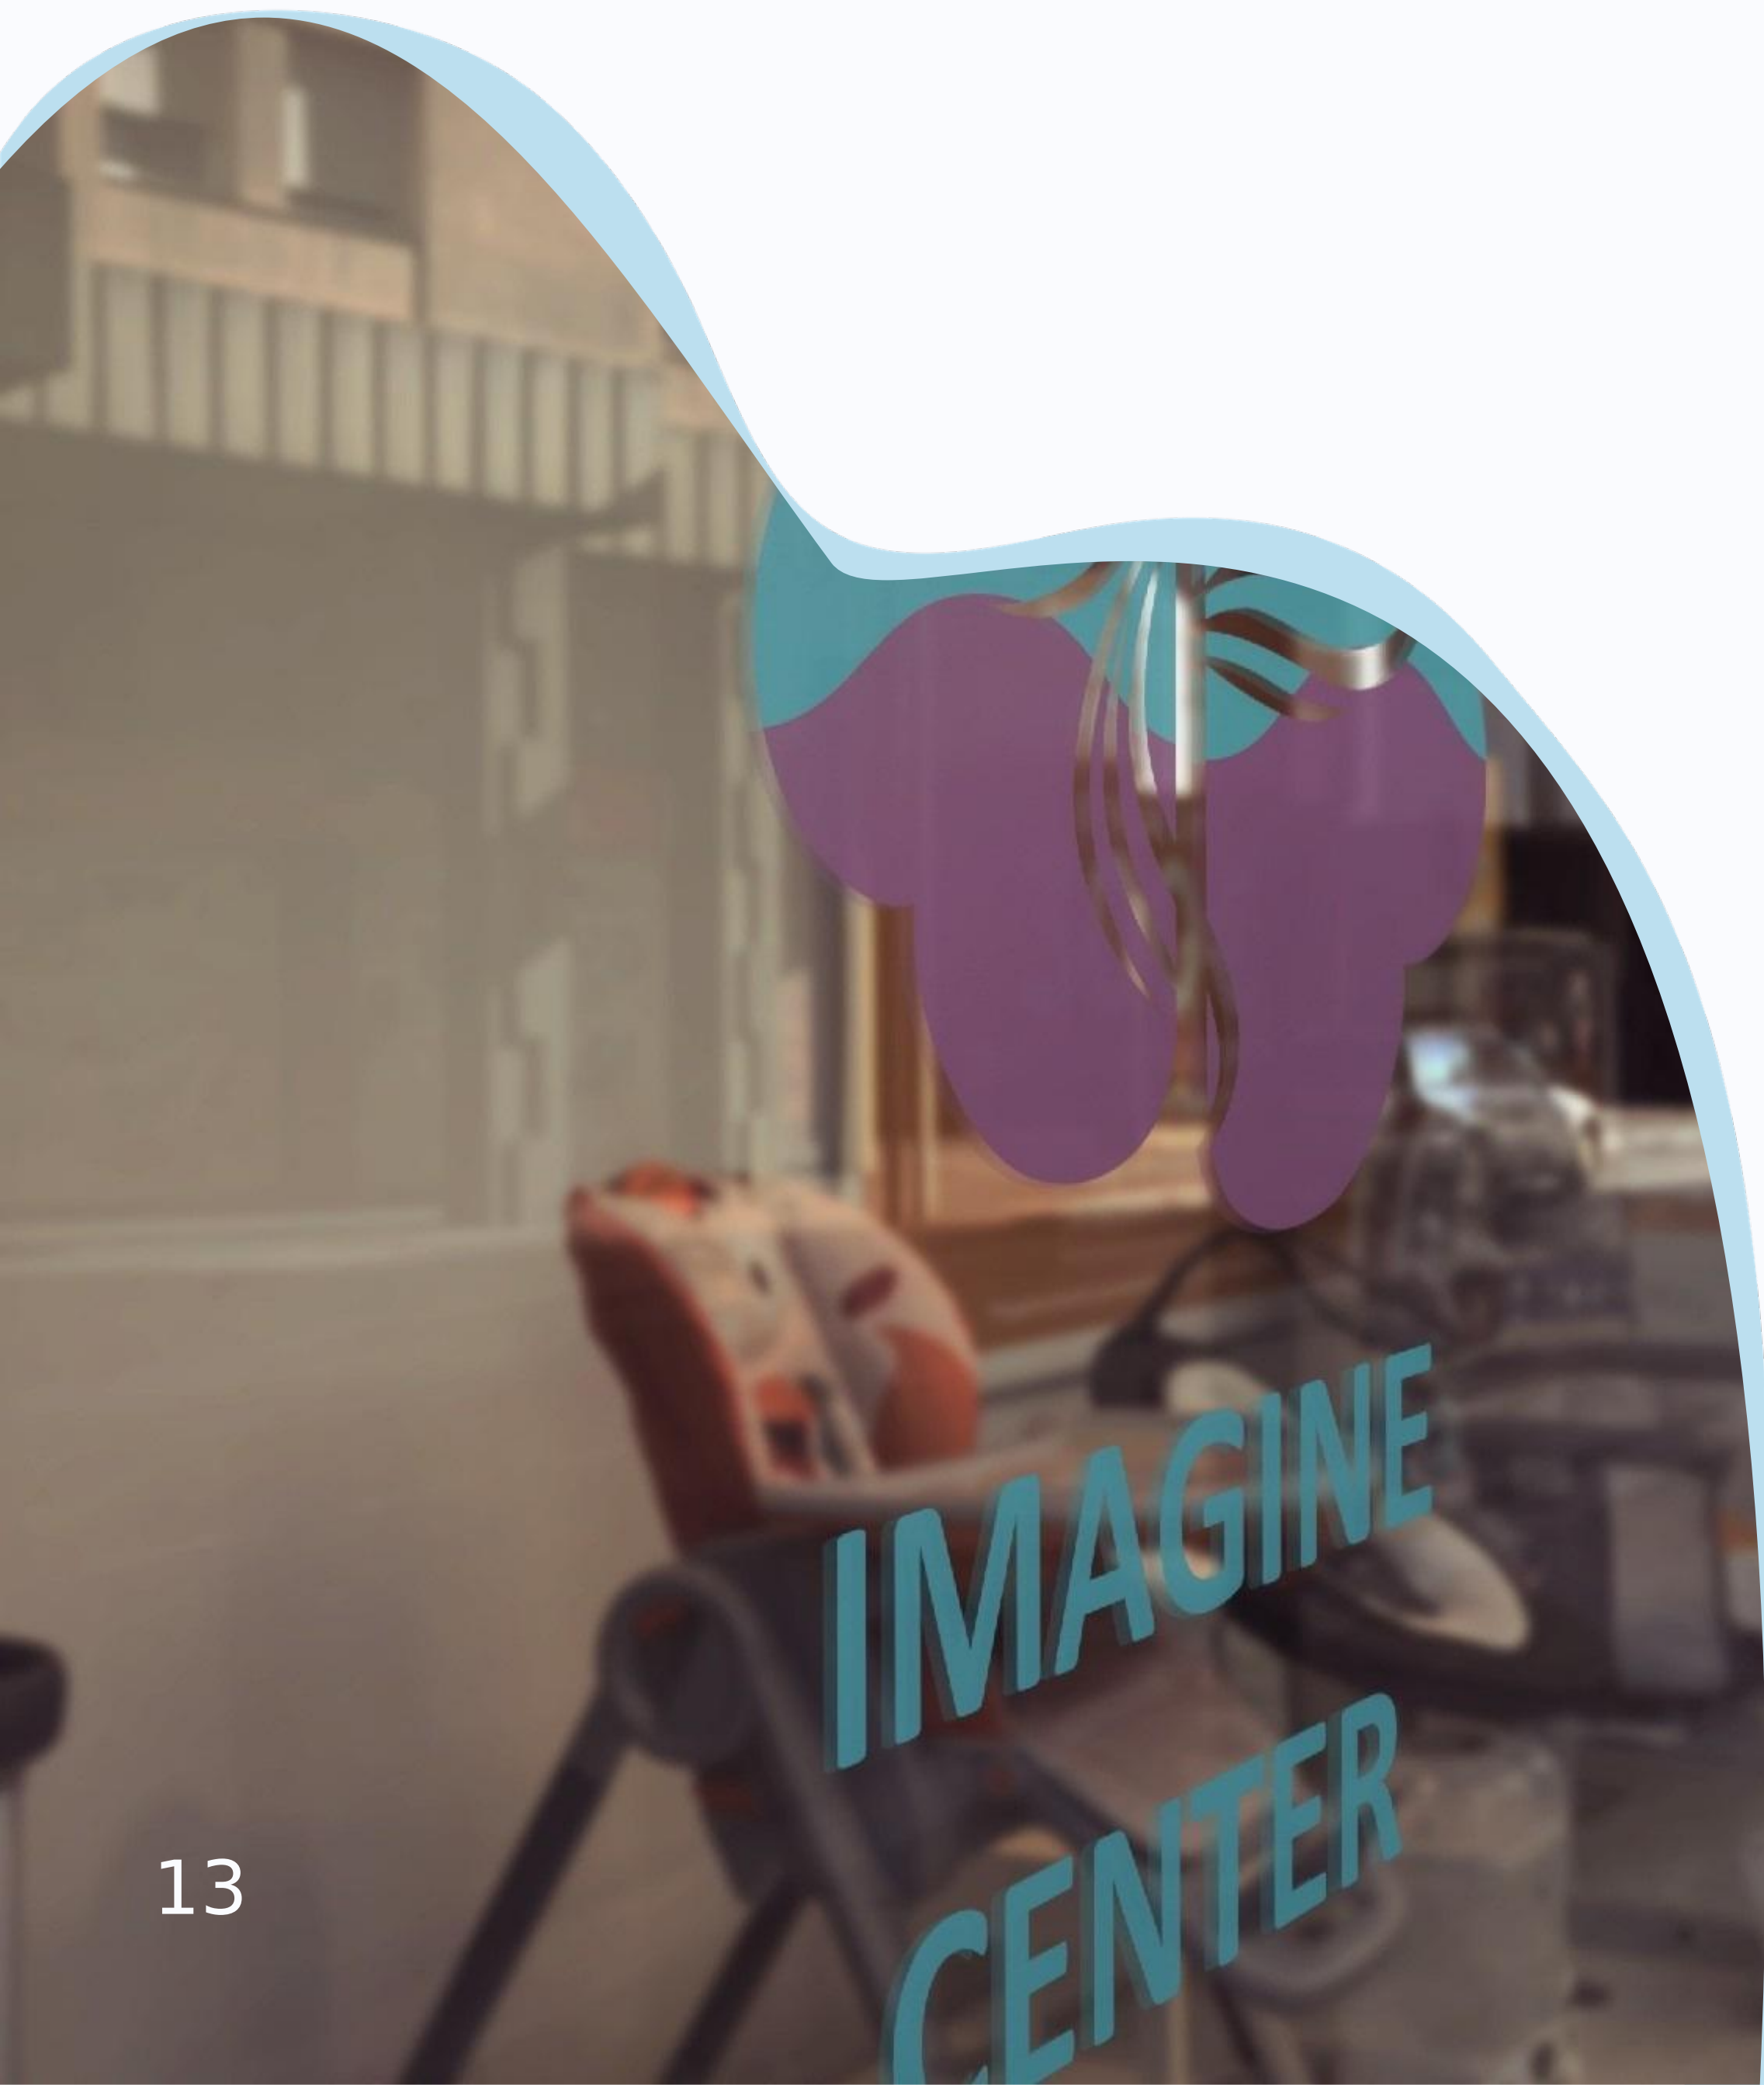

Fund Raising

We are seeking an initial raise of 49 million USD to establish and operate 10 IMAGINE CENTERS and wings within local orphanages across all locations over the next 4 years.

Funds Allocation

Property and Equipment	12,000,000
Annual Running Cost 2027	5,000,000
Annual Running Cost 2028	7,000,000
Annual Running Cost 2029	11,000,000
Annual Running Cost 2030	14,000,000
Total (USD)	49,000,000

This includes the progressive operation of all 10 centers, but does not encompass the acquisition of properties for additional centers.

Property and Equipment

We have identified several suitable properties and spanning about 30,000 sq ft.

The cost of the properties is estimated at 10.5 million USD with an option for a long-term lease.

We estimate that the renovation, fittings, and equipment required to convert the property into an Imagine Center will amount to an additional 1.5 million USD.

Annual Running Costs for the Imagine Center

These running costs are based on the ability to shelter up to 50 people in emergency situations, feed a lot more, and help hundreds of adults and children every month.
