Membership Terms & Conditions

All memberships are a 3 month commitment, billed weekly to your nominated card or bank account.

Weekly billing commences from the date of purchase and cannot be paused within the 3 month commitment period.

Bathhouse and float sessions must be booked using your membership credits prior to attending. This can be done online via our website bookings.velaspa.com.au.

Cancelling a Bathhouse or float session within 24hrs or no-showing will result in a \$40 late cancellation fee, charged to your card or account on file.

Spa, retail and dining discounts apply on full priced services/items only and cannot be used in conjunction with any other discount or package.

Member amenities including slippers, bathrobe and towel are provided complimentary and limited to one per visit. Requests for additional amenities will incur a fee.

Foundation and pre-sale membership pricing is guaranteed for the first 12-months, after which VELA reserves the right to review and change pricing. For full priced membership purchases, VELA reserves the right to periodically review and change prices after the initial 3-month commitment term. Should we decide to change your membership price, you will be notified at least 1 month in advance.

Should you wish to pause your membership, you may do so for up to 3-months after the initial commitment period. Memberships cannot be paused within the commitment period, and may only be paused once within a calendar year.
