DME All-Stars is a collective of the world's finest musicians and entertainers — pulled from every corner of the country, touring with top-tier artists, performing in stadiums, destination resorts, and the most exclusive private events in the world.

Combined with the energy of DJ / MC Dean Michaels, what you get isn't just a band or a DJ — it's a fully produced live show built around your wedding. High-energy, interactive, and professionally trained to read any room.

After more than 20 years and hundreds of weddings for Fortune 500 executives, celebrities, and couples coast to coast — one thing remains constant: when DME is in the room, the night becomes legendary.

World-Class Talent

Every musician is touring-level. We build your team from the country's finest — never fill-ins.

Unmatched Energy

We don't just play — we perform. Musicians move through the crowd and keep the floor packed.

Turnkey Production

Lighting, sound, staging, and a dedicated onsite team. Your planner doesn't manage a single cable.

"Everyone we spoke to said DME was the best entertainment they've ever seen at a wedding — many said it was the best wedding they've ever been to."

WHAT OUR COUPLES SAY

Testimonials

“

"Dean Michaels Entertainment absolutely made our wedding! Everyone we spoke to said DME was the best entertainment they've ever seen at a wedding — many even stated it was the best wedding they've ever been to because of this. We got married 6 months ago and to this day, people still talk to us about Dean and his talented musicians and ask for his contact info. Our wedding was one of the best days of our lives and we owe so much of it to Dean and his team."

“

"The dance floor was ABSOLUTELY ELECTRIC. People that don't even like dancing were out there. The musicians interacted with all the guests and had such good energy. Countless guests have reached out saying our wedding had the best dance floor they had ever seen. We had to extend the night because nobody wanted it to end. Dean himself was an amazing MC and extremely organized. I can't wait until we have another epic party and can hire DME!"

Melanie + Ross

“

"Dean and his team were hands down the most talked about part of our wedding. He created incredible moments throughout the entire day. DJ Dean had every single person, young and old, on the dance floor — with most begging to play longer when the lights came on. Both my brother AND sister-in-law have already booked him for their weddings. Don't miss out."
