Security Notice: Fraudulent website impersonating Azule Energy

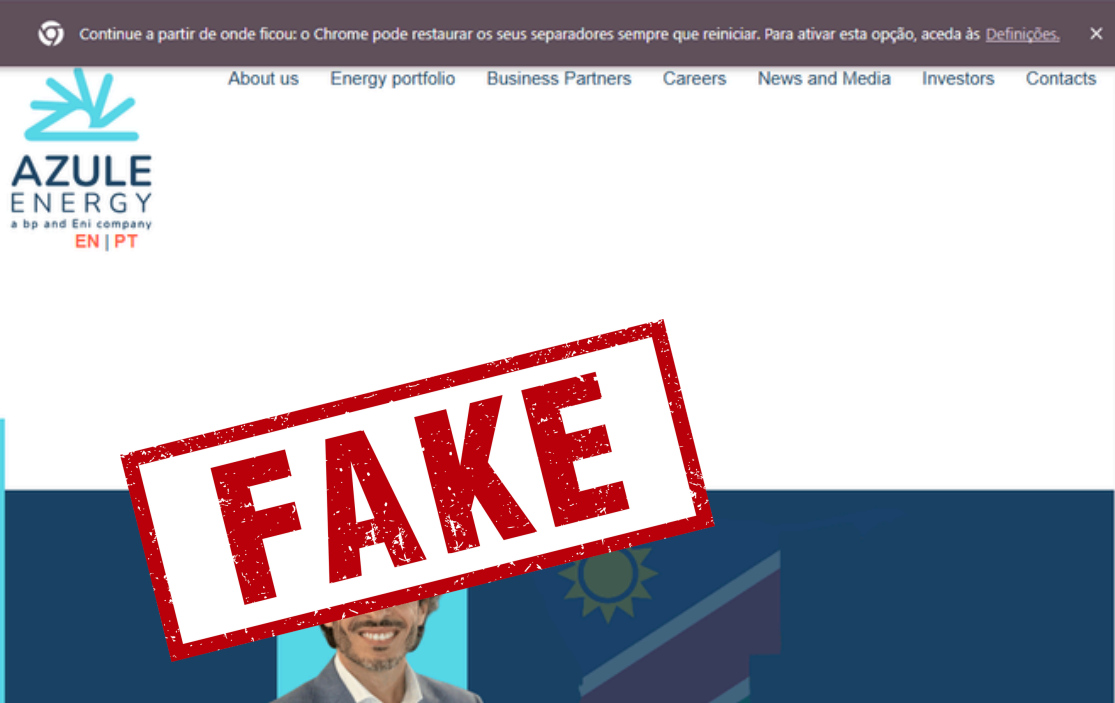

Azule Energy has become aware of a fraudulent website that is unlawfully using the company's name, brand, and/or identity to mislead members of the public.

Website <https://azule-energy.africa> is not owned, operated, authorized, or affiliated with Azule Energy in any way.

FAKE

We urge employees, business partners, suppliers, job seekers, and members of the public to exercise caution when interacting with websites, communications, or individuals claiming to represent Azule Energy.

Any information, job offers, requests for payment, investment opportunities, or requests for personal or financial information originating from this website should be treated as suspicious.

To ensure you are accessing accurate and reliable information about Azule Energy, please use only our official website and verified communication channels:

Official Website:
<https://www.azule-energy.com>

We recommend that users always verify website addresses carefully before sharing personal information, submitting applications, or engaging in any transaction.

How to Identify Official Azule Energy Channels

- Always verify the full website address before interacting with online content.
- Be cautious of unsolicited requests for personal, financial, or confidential information.
- Verify employment opportunities only through Azule Energy's official channels.
- Report suspicious websites, emails, social media accounts, or messages claiming to represent Azule Energy.

When in doubt, contact Azule Energy using the contact details available on our official website.

If you believe you have interacted with this fraudulent website, we encourage you to cease communication immediately and report the incident to the relevant authorities.
