Overview

- 12% more cutting surface than the leading competitor - unmatched versatility
- SafeTilt™ - carriage won't tilt for cleaning until the gauge plate is closed, keeping operators protected every time
- Industry-leading IP69 switches and IP65 motor protection - built to last
- Slices up to 30mm (~1.2") thick, twice the capacity of the L300 Series
- Built-in sharpener keeps you ready - no extra tools, no downtime
 - Optional separated sharpener available on manual model

Cutting Capacity

- Rectangle: 10¼" x 6⅞" - room for the largest deli loaves and roasts
- Square: 7 ⅞" x 7 ⅞" - generous portions, perfectly consistent
- Round: 8 ⅝" in diameter - built for large sausages, rounds, and oversized cuts
