

The ANXIETY CENTER
Integrated NeuroHealth

Thinking About Getting Help With The Anxiety Center? Start With These 8 Questions

1 Is this for me?

If complex anxiety and OCD are interfering with your daily life (work, school, relationships), we recommend reaching out. We treat adults, adolescents, and children. (ages 9+)

2 What do you treat?

We specialize in severe, complex anxiety and OCD that require more intensive treatment.

3 What services do you offer?

Through our Integrated NeuroHealth model, patients receive intensive, specialized care for anxiety and OCD by clinicians who collaborate across psychotherapy (Group Therapy IOP), psychiatry, and advanced treatments like TMS, ketamine, and Spravato. This all-in-one approach allows us to create highly personalized, effective treatment plans that are simple to access and built for severe cases of complex anxiety and OCD.

4 Where are you located?

We offer in-person and virtual care across:

Cincinnati: 12500 Reed Hartman Hwy, Cincinnati, OH 45241
Dayton: 2331 Far Hills Ave, Dayton, OH 45419
Indianapolis: 7340 Crossing Pl, Fishers, IN 46038

5 Can I afford this?

We accept most commercial insurance plans, as well as Medicaid, Medicare, and TRICARE.

6 What's the end goal for treatment?

Our goal is to stabilize your complex anxiety and OCD so you go from surviving to thriving in your work, school, relationships, and passions.

7 What does care look like?

Depending on your needs and current care team, your treatment plan can include one or more services, such as therapy, psychiatry, or advanced treatments like TMS, ketamine, or Spravato.

8 What's makes you an anxiety & OCD specialist

Our clinicians across therapy, psychiatry, and advanced treatments only see severe, complex anxiety & OCD cases, which means we've seen every variation and tailor treatment to these cases.

9 What's my next step, and what do I need to get started?
