

INDOOR & OUTDOOR

MARIO LA

designed by
FERNANDO MARTÍNEZ

MARIOLA is defined by its visible metal structure wrapped in sustainable cord, creating a visually striking design. Its distinctive decorative essence shines through in every version. In line with the rest of our cord collections, MARIOLA is the ideal choice for those seeking unique lighting pieces with a sustainable soul.

MARIOLA se caracteriza por su estructura metálica visible envuelta en cuerda sostenible, creando una propuesta visualmente atractiva. Su diseño destaca por su gran esencia decorativa en todas sus versiones. En línea con el resto de nuestras colecciones de cuerda, MARIOLA es la opción ideal para quienes buscan piezas de iluminación únicas con alma sostenible.

MADE WITH RECYCLED
MATERIALS

OCEANS WITHOUT PLASTIC

Under this slogan we started an initiative that involves the removal of tons of plastic from the environment every year, thanks to our collection of cord made from recycled plastic bottles, collected from the sea and from our environment.

Bajo este lema comenzamos una iniciativa que supone la retirada de toneladas de plástico del medioambiente cada año, gracias a nuestra colección de cuerda fabricada con botellas de plástico recicladas, recogidas del mar y de nuestro entorno.
