

PEPO

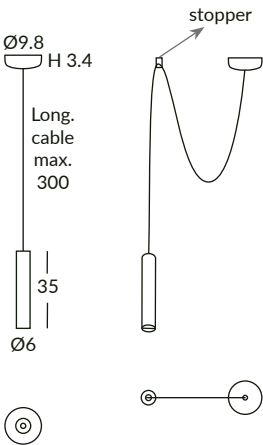

designed by
FERNANDO MARTÍNEZ

Winner of the German Design Award in the 'Excellent Product Design' category, PEPO is a versatile and functional lighting solution. Its design is based on a sleek aluminium spotlight in the shape of a cylinder, featuring an orientation system that allows the light to be directed wherever desired. Available in configurations ranging from one to six pendants, as in a special version for track, it adapts to a variety of installation needs.

Ganador del German Design Award en la categoría "Excelente Diseño de Producto", PEPO es una solución de iluminación versátil y funcional. Su diseño se basa en un foco estilizado de aluminio con forma de cilindro, con un sistema de orientación que permite dirigir la luz donde se desea. Disponible en configuraciones de uno a seis colgantes, y en versión especial para carril, adaptándose a diversas necesidades de instalación.
