

SENIA

designed by
FERNANDO MARTÍNEZ

The SENIA pendants feature a minimalist design with simple cylindrical shapes, where the material adds a distinctive touch with its range of colors. Crafted with sustainable cord made from recycled plastic bottles, these models gently diffuse light, creating warm and inviting atmospheres.

Los colgantes SENIA cuentan con un diseño de líneas minimalistas formando un sencillo cilindro, donde el material da el toque de particularidad con su gama de colores. Elaboradas con cuerda sostenible fabricada a partir de botellas de plástico recicladas, estos modelos filtran suavemente la luz, creando entornos acogedores.

OCEANS WITHOUT PLASTIC

Under this slogan we started an initiative that involves the removal of tons of plastic from the environment every year, thanks to our collection of cord made from recycled plastic bottles, collected from the sea and from our environment.

Bajo este lema comenzamos una iniciativa que supone la retirada de toneladas de plástico del medioambiente cada año, gracias a nuestra colección de cuerda fabricada con botellas de plástico recicladas, recogidas del mar y de nuestro entorno.
